

NATIONAL HUNTING & FISHING DAY

HUNT • SHOOT • FISH

SEPTEMBER 27

Celebrate National Hunting and Fishing Day!

On the fourth Saturday of every September, NHF Day recognizes generations of sportsmen and women for their contributions to the conservation of our nation's rich sporting heritage and natural resources. One of the main goals of National Hunting and Fishing Day is to recruit new hunters and anglers by encouraging participation and increasing public awareness of the connection between hunting, angling, and conservation. Through self-imposed fees and excise taxes, sportsmen and women have raised more than \$57 billion--that's more than \$100,000 every 30 minutes being raised for conservation. NHF Day is the largest, most effective grassroots movement ever undertaken to promote outdoor sports and conservation.
