

# **PUBLIC HEARING NOTICE PROPOSED MODIFICATION TO THE CLARION COUNTY COMMISSIONERS**

## **FFY 2025 COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

The Clarion County Commissioners will hold a public hearing concerning a proposed modification to its FFY 2025 Community Development Block Grant (CDBG) program at 6:00 p.m., prevailing time, on February 12, 2026, in the 1st floor conference room at the Clarion County Administrative Building, 330 Main Street, Clarion, PA 16214. The modification will be discussed in detail, and public questions, comments, and suggestions will be invited.

This modification would delete the Knox Borough water treatment plant chlorine room upgrade project. The \$40,732.00 in grant funds allocated to the Knox Borough project will be reallocated as follows: \$20,366 to the Clarion Borough Paul A. Weaver Community Park lower playground improvements project and \$20,366 to the Lake Lucy Sewage Authority CCTV inspection and sewage improvements project, both existing projects in the 2025 CDBG program. Written public comments must be submitted to Kristi Amato, Director, Clarion County Department of Planning and Development, 421 Main Street, Suite 22, Clarion, PA 16214 or by e-mail at [kamato@clarioncounty.gov](mailto:kamato@clarioncounty.gov) by 4:00 p.m. on February 18, 2026.

The Clarion County Commissioners will take action on this proposed modification at their regularly scheduled meeting beginning at 10:00 a.m., prevailing time, on February 24, 2026 in the 1st Floor Conference Room at the County Administrative Building, 330 Main Street, Clarion, PA 16214-1073.

If you are a person with a disability and wish to attend the public hearing, and require an auxiliary aid, service, or other accommodation to participate in the proceedings, please contact Kristi Amato by phone at 814-226-4000, Ext. 2800 to discuss how Clarion County may best accommodate your needs.
