(October 31, 2026) WITCH way does the evidence point?

Something wicked happened to Wendy the Witch, and our Comanche High School Forensic Science II investigators are on the case!
No hocus pocus here... just SCARY GOOD investigative skills!
Happy Halloween from our CHS Tribe!
Spooky Season (Reels Sound - Reveal) · Ethan Schreiber

(October 30, 2026) FRIYAY FUN AT COMANCHE ELEMENTARY SCHOOL!
There was NEVER a dull moment at CES this morning!
Indians & Cheerleaders greeting our students!
Staff surprising everyone with a FLASH MOB!
Western Day vibes!
Our front office crew bringing Toy Story to life!
Black & Gold spirit everywhere as we cheer on our INDIANS!
From boots and cowboy hats to dancing and school spirit, we kicked off Friday with a whole lot of FUN!

(October 30, 2026) Sparks were flying at the Dublin Build-Off!

Congratulations to our Comanche High School Welding Team on bringing home 4th place!

A special shoutout to Kyle P. for earning TOP HAND honors!

Way to represent the Tribe! We are proud of your hard work and skills!

(October 30, 2026) SCIENCE, SMILES & ADVENTURES!

Our Comanche Elementary 2nd graders had a BLAST at the Spark Science Center in Abilene yesterday! From exploring space and the human body to building circuits, launching rockets, creating giant bubbles, and discovering how fog is made, our students enjoyed a day packed with hands-on learning and FUN!

The adventure continued with some park time and a yummy Chick-fil-A picnic!

Big discoveries, happy smiles, and memories made.

THE GRACE

(October 30, 2026) CHS BUILDING UPDATE | BEHIND THE SCENES!
Ready for a video sneak peek? We've picked a few spots around Comanche High School to share with you!
From the finishing touches on upstairs classrooms to the rough-in work at the new Nurse's Station, a courtyard view from the Art Room, and a look at the new layout of one of our Special Education classrooms—a lot is happening!
Come along for a behind-the-scenes look as our CHS transformation continues!

(October 30, 2026) Creativity is BLOOMING!

Our Floral Design students are putting their creativity to work as their Floral of the Month arrangements come together!

Students are learning about color combinations, design principles, and floral techniques while bringing their beautiful creations to life!

We love seeing their creativity and hands-on learning in action!

(October 29, 2026) 3…2…1…BLAST OFF!

Coach Clayton's 6th Grade Science students at HRJJHS put Newton's 3rd Law of Motion to the test by creating BALLOON ROCKETS!

For every action, there is an equal and opposite reaction!

Hands-on learning + a little rocket science = BIG FUN!
