Reading the lines: Favorites appear in bold with a gold underline. All games are treated as neutral-site contests. NL means the projected margin exceeds 50 points.

Bi-District Games to Watch

Six statewide matchups | One from each division | Neutral-site projections

4A Division I

#7 Somerset (8-2) vs #13 S.A. Davenport (7-3)

Two Top 15 teams meet immediately: No. 7 Somerset brings an 8-2 record against No. 13 Davenport at 7-3. Their combined 15 wins make this more than a routine opener. TOTR gives Somerset just a one-point edge, putting Davenport firmly in upset range.

4A Division II

#11 Athens (9-1) vs #14 Hamshire-Fannett (8-2)

No. 11 Athens enters at 9-1, but No. 14 Hamshire-Fannett brings an 8-2 record and the narrowest possible TOTR edge. Seventeen combined wins and two Top 15 rankings make this a standout first-round draw. Our pick is Hamshire-Fannett by half a point.

3A Division I

#24 Edna (8-2) vs #13 Cameron Yoe (9-1)

No. 13 Cameron Yoe's 9-1 season meets an immediate challenge from No. 24 Edna, which finished 8-2. The rankings favor Yoe, but the neutral-site projection leans narrowly toward Edna. This is our upset watch in 3A Division I: Edna by 1.5.

3A Division II

#15 Hooks (7-3) vs #21 Arp (7-3)

Both teams enter 7-3, and both sit inside the Top 25: Hooks at No. 15 and Arp at No. 21. That puts two established contenders on a collision course before either can settle into the postseason. The TOTR projection gives Arp a four-point edge.

2A Division I

#9 Paul Pewitt (9-1) vs #23 Joaquin (5-4)

No. 9 Paul Pewitt brings a 9-1 record against No. 23 Joaquin at 5-4. The records suggest a substantial gap, but our projected margin stays in single digits. Pewitt is the pick by 8.5; Joaquin is a tougher opening assignment than its record alone suggests.

2A Division II

#18 Crawford (7-3) vs #17 Albany (7-3)

No. 17 Albany and No. 18 Crawford arrive with matching 7-3 records and adjacent rankings. This is one of the bracket's clearest meetings of comparable teams, with little separation on paper. TOTR leans Albany by two points in a first-round game with a credible case for either side.

Projected lines are TOTR forecasts. Rankings reflect the approved final regular-season order. Seed key on matchup pages: W = district winner, R = runner-up, T = third, F = fourth.
