The Comanche Independent School District Board of Trustees voted unanimously at the Monday, May 11, meeting to appoint Jennifer C. Rucker as Acting Superintendent of Comanche ISD.

Mrs. Rucker has faithfully served Comanche ISD for the past 15 years in a variety of roles, including Elementary School Counselor, District Dyslexia Coordinator, Assistant Principal, Special Programs Director, Assistant Superintendent, and now Acting Superintendent. Throughout each position, she has consistently demonstrated a deep commitment to students, staff, and the Comanche community.

The Board has full confidence in Mrs. Rucker's leadership, character, and heart for this district. Her longstanding investment in Comanche ISD, along with the relationships and trust she has built over the years, make her uniquely prepared to lead during this transition.

More importantly than titles or positions, Mrs. Rucker has made a lasting impact on the lives of countless students and employees through her steady leadership, compassion, professionalism, and servant-minded approach. She has been a source of encouragement and support for both staff and families, and her influence can be seen across every campus in the district. The Board recognizes and values the care she has consistently shown for this district and the people within it. As we move forward, the Board remains committed to supporting our students, staff, and community while continuing the important work of the district. We are grateful for Mrs. Rucker's willingness to serve in this role and look forward to working alongside her in the days ahead.
