Comanche ISD - 5th Grade, Mrs. Garcia

Dear Santa, Hello Santa, how are you? I hope you are doing well, and give kids what they want. What I want for Christmas is a Punch Kit that is a cute cow that look cozy, and a black soft Taba Squisy cat if you can get me that. The reason I want that is be cause it is fun to play with and I can play with it with my friends. The reason why I want a Punch Kit is because I want to start a hobby and that looks really easy and fun. One special thing about Christmas is when I spent a Christmas with DJ, my grandma's son, and my cousins, grandma, and aunts. I liked how I played with DJ's dogs, but they looked like a monkeys covering its eyes because of the dogs' ears. I like playing in his backyard's playground. I have some presents and a tree at my home, so I think it is time to open presents now. Cristmas is my favorite holiday because it is cold and some time snowy. Happy Christmas, Elena Amaro

Dear Santa, How long do you work and how cold is there? For this Christmas I would want to have an Attachment for my VR. Our family is doing good. We are going to have a Christmas party with my cousins. My cousins will be geting a go kart I and them are going to David Buster's after we'll eat pizza. We will be warm all day we cant wait for Christmas morning to eat then open presence take pictures we've all be happy and thankful for what we get. Sincerely, Eric Alanis

Dear Santa, Before I start, I want to thank you and the elves for making Christmas possible and exciting, and one last thing before I start, thank you for making kids really happy that morning. It's okay if you get me something else, I'll be thankful for what you bring, but I want College Football 26, a pin and black Hover Board, and some cool Baseball Life Style 101, and I promise I will be able to use the Board. Can you do me a special favor? My friend Lyam, loves to play baseball, wants a rare Hype Fire bat. Sometimes my family will make delicious cookies for you on Christmas Eve, they're so good that the chocolate will melt in your mouth, even earlier on in December, we would make a delightful ginger bread house. We go to my mom's parents' house to celebrate, and we go to my dad's parents' house for Christmas Eve. Merry Christmas! Sincerely, Jesse A.

Dear Santa, Merry Christmas! I really hope you, Mrs. Claus, your elves, and reindeer are doing well. Our house looks like a christmas farm, and we are going to be hosting our own Christmas party this year. We are hosting it because we already bought the turkey. I love saying happy birthday to our savior Jesus Christ. I got to help decorate the house and our skeleton chicken! (We turned it into a Christmas tree). My favorite tradition is putting up our beautiful tree with wonderful presents and our cool tree topper and ornaments. I love my traditions because I love hanging out with family and friends. (Our topper is an owl) and every year we get to buy our own pretty ornaments. One kind thing I did this year is helping my awesome friend Ava with her pig. It wasn't eating or drinking, so I gave her advice. What I want for Christmas is another drawing pad. I am running out of pages in all of my books. Some colorful colored pencils would be nice too. I mainly have markers and I really want some colored pencils. Your Friend, Hayden Bassham

Dear Santa, the most jolly man in the world, I hope you have been doing really good. I hope you have a good flight around the world. I am praying that you get here and back safely. Just know I care about you no matter what because people count on you every year. If you are doing the best you can that would be the best thing in the world. I wish that nothing bad happens to you for the rest of your life, you get a lot of cookies, and that everybody gets what they want this year. I also wish to have a good year and have a merry Christmas. We have this holiday tradition were we do Secret Santa(which I kinda like.). My favorate memory is when my parents got me to the hospital when I broke my wrist because it reminds me that my famly really cares about me, be extra nice to them. Have safe travels, Joseph Bill

Dear Santa, I hope you and your elves and fuzzy reindeer are doing great. You are probably having your elves do hard work on toys. It is sometimes hot outside or cold in December. My elf is doing really good, and she gives me toys like everyday. This year I would like a new horse so I can have two. I would ride it everyday after school so I could get better at riding horses. I would also like a my very own computer, and on my computer I will play Roblox. I will also be working on stuff for school if I have to, and if i have to do an online class I will do just that. I also want those Pascall Clinkers, a type of candy with colors inside of them. One of my favorite holiday traditions is going to my grandma's house and opening my Christmas presents. I always love my gifts and packing food for you. I hope you warm wishes, and tell the fuzzy reindeer that I said hi, and that I wish y'all a merry Christmas. Make it a cozy December, and I really hope that you think that the food I packed is delicious. I hope you give me exciting presents. Warm wishes, Jayla Conine

Dear Santa, I hope you and your reindeer are doing well and the elves. When it is Christmas time, I really like setting up the Christmas tree. My grandpa and I have already decorated it for Christmas, and it looks good. I want a VR to play on. I would take care of it by not dropping and charging it and that's all I want. I want a vr to play Gorilla Tag. Aazar Guevara

Dear Santa, This year there are not that many decorations but I think that it will get better and it's just the start. But I have a lot of Christmas spirit right now, so that is one of the best things so far. My elves are doing very great, hopefully also in the North Pole with you as well. I think that this rest of the year is going to be the best part of the year for me and my family. But my dog, one that is good, has been bad lately. Santa, I really would like string and beads so I can make more beaded bracelets. Since I've been cold a lot I am asking for a new hoddie, and I really want a deck of cards so that I can play with my sister. We would really enjoy that. A family tradition that I enjoy is when we open a present on Christmas Eve and on the next day on Christmas morning. We will open the rest with my dad standing right there next to me. Sincerely, Grayson H.

Dear Santa, I hope you eat my cookies and milk, and I hope you have fun giving the kids good presents. I also hope you have a great holiday on Christmas. I have been doing well this Christmas. I have helped my older brother, little brother, little sister build a colorful tree. I helped my mom put new ornaments every Christmas. The holiday feels cozy and comfy. I really hope you get my present that I want. The gift I want, a PSS, would be so cool because my brother has one and I always glaze over while watching him play on the console. I love playing on his PSS because I like using his console to play games on his PSS. Sincerely, Julian Ledesma

Dear Santa, I hope you are well Santa. One of my favorite things to do this time of year is to spend time getting ready for Christmas. I help put up my family's Christmas tree and put ornaments on the tree. How can you fly so fast across the world in one night? I've always wanted to know. My Christmas tree is white. It's size is medium it has very colorful bright lights. The lights are so bright that it's hard to sleep at night. I had some rough times this year, but I've still been good. I have a favor to ask you. It's a big list of things I want for Christmas. I want an Xbox with some money for some games because I'm bored at my house. I would also like a Nintendo Switch with some more money to buy some games because I want something to play on the bus while I'm going home. I'd also like an iPhone 16 so that I can have something to play on when I travel. One more thing I want is a VR headset so that I can meet my favorite Youtubers on there.

Merry Christmas Santa, From Noah Williescott Lismar

Dear Santa, I hope you are doing well and are having a good time. It is kind of cold outside and cloudy some days and warm some days and sunny. Our house smells like muffins and gingerbread. I will spread some reindeer food for the reindeer and it will smell like cinnamon and all other types of things smell good. It might be a little cold the night of Christmas but we will have the fireplace going and you will be warm and also I did not get a bigger chimney. This year I would like a Smarty roping dummy to help me get better at calf roping, so I can start competing in rodeos. I would like to get better at riding horses to pen cows every once in awhile. I'll take really good care of it in the winter when it will come in all of the time. I would probably be roping with it even though it would be cold or warm. I don't care, I'll turn the big outside lights on and I'll take care of it. It won't just sit outside in the rain, I'll bring it under the porch. And I've been wanting this for a long time and it means a lot to me if I get it. We've been spreading some holiday cheer by baking cookies and making muffins and stuff and sometimes I help my mom make the cookies. We'll have a big cup of milk for you and. If you like chocolate chip cookies come to my house because we have plenty of them.

Hope you have fun and be safe. Sincerely, Kole Mazurek

Dear Santa, I hope you and the 8 reindeer are doing well this season. Since its Christmas, everyone's house is really pretty because of the christmas trees. My house has lights around the on it and blow up things. This year I would really like a new carpet for my cats so they can be warm when they get up. I would also like a new vanity and maybe a new black vanity chair so it can match my bedroom. I want to give my friends next door my vanity because she needs a new one. A new phone and maybe a new computer would be nice, too. One of my favorite holiday traditions is to buy candy, comfy blankets, and tents, and to watch "The Grinch" and "Polar Express." When we watch, we drink hot cocoa with marshmallows and open presents. Sincerely, Jolene Murphy

Dear Santa, I hope you and Mrs. Claus do well with all those reindeer to feed. My house smells like peppermint and candy canes when I wake up each morning. I hope you don't crash your sled, and you deliver all the presents the beautiful good kids asked for. Santa, I would like a room makeover with me and my sisters so we can have the room of our dreams. It would give us special sibling bonding time together. I would also like a new desk that my dad made or your elves made. I would like new shoes. The reason why I want new shoes is because my feet are too big and they are so dirty. I would also like a new blue bike because my bike is old. My favorite tradition is when my grandma comes over who lives in Honduras. Since she came, we made her famous recipes that are so

The Comanche Chief

good and they make me so HAPPY that is why they are my favorite memories. One thing that I did well this year is helping a grandma carry her groceries.

With love from a hard worker, Caitlin Paz

Dear Santa, How are you and the reindeer? I hope you're doing great! Since it's the time of year, I thought I would write a letter to you. I've had a really good year, and I have helped my teacher a lot this year. I helped my mom decorate for this season as well. My house smells like candy canes and feels cozy. I helped my mom decorate the house and the tree. So what I would like for Christmas is an iPad. I will use it for entertainment, and I will play games on it. I would really enjoy it. The second thing I would like is a Jelly Cat. A Jelly Cat is a stuffed animal on Amazon. I would use it to sleep with and play with it, and I would really love it. The third thing I would like is some earrings, and I would wear them everyday. The fourth thing I would like is a portable fan I will use it to keep me cool. I have one final thing. It's about my elves. I was really excited for them to come and they did. They were moving the first 2 days, but then they didn't move. I did not touch them, so all I ask is for you is to talk to your elves about coming to report to the North pole each night. Happy Holidays!!! Stay safe while delivering the gifts! Lucy Rodriguez

Dear Santa, How are you this year? I hope you are doing good and your elves too. This year I want a red go-cart that's fast and shiny. I also want a happy Christmas morning wake up with lots of food, presents, and laughter around the Christmas tree. One Christmas memory that I have was when it snowed, and we went outside to play with my dog, Cobu. He tackled me to the ground, and we played all day. Then we went inside to open Christmas presents. Warm Wishes, Nicolas Salais

Dear Santa, I hope you and your reindeer are doing well. It's starting to get cold, and that means that it is close to Christmas. What I want for Christmas is clothes because a lot of my clothes do not fit me. Legos are fun to build with and they let you express your creativity, so Marvel Legos would be fun. I also want a VR headset because I really want to play Gorilla Tag. I want the Xbox game pass so I can play Minecraft with my friends and not have to beg them to get on Fortnite with me. One thing I really look forward to is the Christmas break because I can spend time with my family and with my corgi, Duke. Happy holidays, Venancio Daniel Sanchez

Dear Santa, How are you? Because I'm excited! My house smells like brownies. The season is cold, but joyful, and it is also the season of Christmas and Winter. I really hope it snows because it never snows here in Texas. Although it was cold outside, it was still fun. What I want for Christmas is a Labubu because they are really cute and will be sure to make me happy, a Stitch putty for stress because of my brother, socks just because I need some more, and some shark stuff because I'm into sharks now and sharks are cute. I also want my bestie, Hayden, to come over. Hayden and I are the best of friends, but sometimes we can get mad at each other. A holiday tradition is putting up my Christmas tree and watching Christmas movies (especially, the movie "Christmas Carol"). My favorite memory is when it snowed, me and my parents had a snowball fight, then my dad threw a snowball in my shirt. But that snowball was freezing cold! Something kind I did this year is that I helped a cat get out of a tree because my dog chased it up there. Warm wishes, Ava Seider

Dear Santa, This is a good Christmas. I feel it it has been cold, and I have been listening to Christmas songs I am listening to one, Mistletoe, right now band it's stuck in my head. If you don't know, this year I would like a Gap sweater with the collab with Katseye because I love Katseye's songs like My Way, Gameboy, and Gnarly. I would like an ankelt for cheer and basketball because I lost mine a long time ago. I would also like some makeup, Nintendo Switch, iPad, and some Katseye stuff because I think having that will be fun.

One fun thing I did this season was be with my family and find my elf. Merry Christmas! Love Abby A.,

Dear Santa, I hope you are staying warm in the North Pole. It hasn't snowed yet but I am still hopeful that it could. We have started getting our Christmas decorations but we are yet to get out our tree. We hope we can soon. Although it has gotten cold, it has only been windy and cloudy. This year I want a metal detector so I can find cool things. I also want a scooter so I can ride it during my brother's tournaments and if we go to places with a lot of smooth surfaces. One of my favorite traditions is on Christmas Eve, I pick out a gift for Korbin, my brother, and he picks one out for me too. Another tradition that I really like is a couple of days before Christmas I go

to my grandparents house and we have a small Christmas party. Sincerely, Keaton

Dear Santa, This year I would like an iPad. I have been acting good this year by helping my mom with chores and cooking. One holiday tradition that I love is baking cakes and cookies with my grandma and my neighbor. I would like a ipad for I can play on Roblox with Jazzy, Natalie, and my other friends. If you do, I will be so happy! I can play on Roblox on my iPhone, but I want a bigger screen to see much better. Sincerely, Aracely Aguilar

Dear Santa, I know yall elves and your reindeer, and you going to be busy. I hope your enjoying the north pole. What kinda clothes that you wear in the North Pole? Is it really cold in the there? Is there a tree in th North Pole. This year I would really want a headset so I can talk to my friends. I like to play with my friends I, and I can take care of it. I would enjoy if i had a headset because I love to play some games and I would be happy if I have one. One of my favorite holiday traditions is to spend time with my family. We would play some Loteria on Christmas. I would like to play it again because it is exciting, and it is special to my family. Warm wishes, Lyam Chavez

Dear Santa, I hope you are having a good Christmas this year. Trees are beaming with ornaments and LED lights, and Christmas smells like cinnamon and smores. I would really appreciate if you gave me a telescope this Christmas, so I can see the glowing stars at night since I like learning about space and planets. And I also like reading graphic novels. One of my favorite things to do on Christmas is to eat s'mores. And I hope we get snow this year so I can make snowmen. This year I helped my little siblings. Warm wishes- Jaziel Coronado

Dear Santa, I hope you and Mrs. Claus are doing good, but I have a problem. My sisters keep taking my stuff out of my lunch box so I need a mini fridge in my room that can fit more than 4 things in it. I would like a tree in my room for next year so my mom does not go through a struggle to find one. You make Christmas so fun, and it is my favorite holiday. One of my favorite things to do at Christmas is to play my favorat board game. Sincerely, Albany Dudley

Dear Santa, Hope you are doing good with this very cold weather in my area. I've been setting up a tree for the living room, but there is no snow. I'm so happy for Christmas! I feel like I can smell the candy canes in the air at this time of year. I wanted to get a mini motorcycle but that idea was thrown out the window. So, what I would want for Christmas is to spend more time with my brother. If i could get that, it would be awesome. He just wants to spend time with my cousin. My tradition is to leave cookies with a lot of whipped cream. We also have a party with my aunt, Honda, and all my cousins. Then after that we wait for Santa. Warm wishes, Dax Garcia

Dear Santa, I want to talk. How are you? I always wondered how do you get around Earth? Also why are you always busy because you only spread cheer on christmas? I have another question do you ever celebrate different holidays? I wish for a Star Wars Star Destroyer for my dad because he likes Star Wars. I also want my own toy, the Super Colton plush, from my Youtube channel. It's a fiction character. I want a dirtbike to ride in my back yard. My favorite holiday is Christmas because I like having fun with my family like having people play games with me. My favorite memory is my Mom giving me a phone for Christmas. I love and support my friends and family. From, Colton Gibson

Dear Santa, This year I have been pretty good for the most part. I got an attitude with my teacher one time, but I learned my lesson. I have had a great year in 5th grade and I love my teachers. This year my sister and I would LOVE to get a trampoline because my mom broke my first one. Next I would do anything to get a new dresser. So, hear me out for this one, I want, so badly, a doll head to do hair. Every year I have about 6 Christmases and it's a lot but I love spending time with my family. I get to see people I don't get to see besides Christmas, but the best of it all is remembering the reason we get to celebrate Christmas. Warm Wishes, Addie,

Dear Santa, Today I am writing to you to let you know how I've been and my Christmas wishes for this year. So far, this year has been great for me. I've even quit my habit of biting my nails after years of doing so. I hope this year has been amazing for you as well. My wishes this year won't be too extra, since a good year is enough for me. All I'd like is clothing that better matches my style and some accessories along with it. This year, I've managed myself in many ways, such as trying not to be as sensitive or gullible. I've learned to forgive quickly, be generous, and think before speaking. Sincerely, Marley

Dear Santa, I hope you're having a good year. I'm really ready for Christmas. You are very kindhearted. I really hope your reindeer are doing well. I hope you are having a good year too, and I hope you get me a cool present. I really want a new sword. for Christmas. The reason I really want a sword is so I can play with my dad, and I don't mean a real sword. I just want a foam one. I have a fun holiday tradition with my family. It's really fun, at least you could eat all the cookies with me. They sound really tasty. My grandma makes such good cookies. Yummy! Sincerely, Wyatt

Christmas Change of Heart

Jane hated Christmas, but it hadn't always been that way. When she was young, she looked forward to Christmas and the magic of it. That didn't change when she got married. She had hoped for children, and none came. But then, her only child, Jonathan, was born in the Christmas season.

Jonathan brought added magic to her as she saw the wonder in his bright eyes. She loved to shop for that special gift for him and see his excitement when he saw it under the tree. Her husband, Richard, loved Christmas, too. He put up Christmas lights and helped her decorate the tree. He made sure they all watched Christmas movies on TV and made apple cider and hot chocolate.

As much as she loved Christmas, it was also a hectic time. Jonathan always had school Christmas plays and concerts. Jane always felt a need to get out lots of Christmas cards and bake cookies for all of the neighbors. And then, of course, there was the shopping.

But now, Christmas only brought back the memory of that Christmas when she had been overstressed. Jonathan had been away at college and was coming home. She wanted everything to be just right. But instead of making it perfect, when Jonathan came home, she seemed to get annoyed at everything. Just a few days before Christmas, Jonathan did something that made her snap. She yelled at him, and the more he tried to reason with her, the madder she got. Finally, he just walked out the door.

When she calmed down, she set about making cookies and trying to make it nice for when he came back so she could apologize. But he didn't come back—not that night, not for Christmas, not ever. It had been eight years. She hated the Christmas season because it reminded her of Jonathan's birthday and why he was gone. She knew that mainly she hated herself.

Richard still decorated and tried to make Christmas nice, but she wanted nothing to do with it. She knew he was hurting, too, but he never showed it. He always said, "Christmas is about hope. If we lose that, we've lost everything. And I hope Jonathan will come home someday."

Now, here it was Christmas Eve again. Richard said, "There's a beautiful Christmas display I read about. I'm going to go see it. Would you like to

come with me?" Jane didn't want to go, but she didn't relish being home alone.

It started snowing as they left, and it was almost an hour's drive to another town through an isolated area. The farmlands and trees looked beautiful, covered in white, but Jane struggled to find beauty in anything. The light display was also beautiful, but she pushed Richard to hurry through it, wanting to return home.

On the way back, the storm increased, and in the middle of the farmland, a car was off the road. Richard wanted to stop and see if the people were okay, but Jane vehemently refused. She struggled to feel any love in her heart. "They're probably just out drinking or something," she said. "No decent person would be out in this."

But after Richard got her safely home, he headed back to the car. "Where are you going?" Jane asked.

"I feel a strong need to help those people in that car. I'm heading back."

Jane tried to talk him out of it, saying he would get stuck or something, but he went anyway. As time went by, she grew more and more worried. She should have just let him stop on their way home. She felt relieved when she finally heard Richard's car pull into the driveway.

Richard stomped off the snow as he came in. He smiled at her. "What say we do Christmas tonight? I've got something for you."

Jane sighed. "Richard, I told you not to buy me anything."

His smile widened. "I didn't." He stepped aside, and there stood Jonathan. When Jonathan stepped into the room, following him came a beautiful woman and two small children.

"They had car trouble on the way here," Richard said.

"I decided Timmy and Lilly needed to meet their grandparents for Christmas," Jonathan said.

Jane sobbed as she ran to her son. He hugged his mother and said, "Dad always said Christmas is about hope. But I've learned it's also about forgiveness."

That night, as Jane made cookies for her grandchildren, she smiled. She was so grateful for the Christmas season—a season of hope and forgiveness.

Brother J Merry Christmas

A special Merry Christmas Greeting to every individual and home and especially to the newspaper and staff. We have so many blessings to be thankful for. The country we live in, the freedoms and opportunities available to us. Also, freedom of Religion not forced on us and freedom to speak our minds and especially freedom of the press. But what happened that night over 2000 years ago and why? The main reason was mankind was separated from God because of sin, (Romans 3:23). Did God have a solution? Isaiah 7:14 says, "There fore the Lord Himself will give you a sign; Behold the virgin will conceive and give birth to a son and she will name Him Immanuel". Which means God with us. And in Matthew 1:21, "She will give birth to a Son; and you shall name Him Jesus, for He will save His people from their sins; Luke 2:1-7 tell the location and where and why. Can you imagine the future King of Kings and Lord of Lord being born in livestock pens and laid in a livestock feeding trough. He lived a short life, died a horrible death all for one reason so our sins could be forgiven, (John 1:29, Romans 5:8, John 3:16). There is no other way or name whereby sins can be forgiven, (John 10:9-13, Acts 4:12). Let us enjoy this special Holiday but let's remember the reason for the season. See you in Church next Sunday. Brother J.
