Hi Sarah,

I hope you're doing well.

Attached is a folder with all the receipts and campaign materials from our election campaign expenditures.

Receipts are missing for the printing since we used our personally owned printer and paper (Raafay mentioned this to you earlier). In addition, Deacon made a poster for himself yesterday without saving the receipt but you can always reach out to him for further information.

Additionally, for matters of transparency, if you would like us to provide a comprehensive list of items used throughout the campaign such as tables, speakers, tent, letter boards, bowls, etc. (all of which were either personally owned or borrowed from friends or family), I would be more than willing to compile an all inclusive list and submit it as soon as possible.

Also just to let you know, Chloe, my family, and I have funded this campaign out of pocket and will equally split the costs between the two of us.

If you have any questions, please feel free to email me.

Best Regards,

Hello,

Congratulations again! Just wanted to remind you to get your financial statement turned in by 5 PM today.

Thanks!
Sarah
