

# Ready to dig?

## Know what's below.

**April is Safe Digging Month,  
a reminder to Call Before You Dig.**

**Call 811** three business days  
before digging.  
It's the LAW!

There are more than 20 million miles of underground utilities in the United States. Digging without knowing the location of these utilities is dangerous. Stay safe by calling 811 before you dig.
