

# 100 YEARS STRONG

## ***One firm. Five locations. Unlimited possibilities.***

For a century, MPB has been proud to serve our communities, businesses and families with dedication and integrity. What began in 1926 has grown into a trusted firm built on relationships, expertise and a commitment to doing what's right.

Today, we celebrate the people who have made this milestone possible — our loyal clients, valued referral partners and incredible employees. From Meadville, Erie, Grove City, Titusville and Franklin, MPB stands together as one firm united by a shared purpose: helping our clients and communities succeed.

While we honor our history, our focus is firmly on the future. With the same values that have guided us for the past 100 years, we look forward to continuing to grow, innovate and serve our region for generations to come.
