Developing Apprenticeships/Pre Apprenticeships  
To Meet The Needs of Our Region

## Industrial Maintenance Apprenticeship

Apprentices have the opportunity to earn  
a Pennsylvania state registered certificate,  
industry specific certification and are eligible  
to earn credits toward an associate degree  
from the Commonwealth University.

Potential of State Funding  
to Help Defray Cost.

## Plastic Process Technician Apprenticeship

Combination of hands-on experience and  
classroom learning tailored to the exact needs  
of our region's injection molders.

Potential of State Funding to Help Defray Cost.

## Teacher Apprenticeship

Allows paraprofessionals with a bachelor's degree to become certified  
teachers while staying employed. Apprentices can complete the program  
in under two years at no cost. Apprentices earn while they learn through  
a PDF-approved certification program, completing coursework, receiving  
monitoring, and on-the-job training at the same time.

If you are interested in participating in any of these apprenticeship  
programs, please contact Lance Hummer, Executive Director  
at the Keystone Community Education Council, by emailing  
[lhummer@keystonecec.org](mailto:lhummer@keystonecec.org) or calling 814.677.4427
