

Fluff Elizabeth Raecke, lovingly called “Itties”, passed away peacefully on May 13, 2026 at 11:03pm, surrounded by loved ones and in the arms of her mom.

She was born on June 13, 2008 in Okinawa, Japan. She spent her early years with a military family, her owner being Sara Kirstein. On May 21, 2016, Fluff moved into the Raecke household and has made many memories since then. Her favorite color was pink, and she had the most beautiful green eyes and long, golden fur.

She was a precious little baby with a big heart. Fluff felt the emotions of others deeply and never hesitated to comfort those blessed enough to be in her majestic presence. She was perfect and did nothing wrong in her entire life.

She enjoyed eating grass, and her favorite snacks were tuna-flavored Churus and Hydracare. She loved to walk on her harness and leash, to take part in adventures in her stroller, and to be outside. Fluff was well-travelled, having been to two countries and two continents, as well as numerous states, some of which include Indiana, Michigan, Ohio, and Pennsylvania. She had a ferocious, demanding meow and deserved the world and more.

Fluff was the household empress, and her large, professionally-painted portrait will forever hang in the Raecke home, along with her self-created works of art. Her loud purr will always be remembered.

Her Royal Highness is preceded in death by her little sister, Daisee Mae Raecke, affectionately nicknamed “Little Daisee”, who passed on July 21, 2021.

She was the oldest of six children. Surviving is her brother, Frosty (Lucy), and her sisters, Chonkers “Chonks” (Opal), Tater Tot “Tate”, and Rosie Lou. She is also remembered by two cousins, Fernando “Fern” and Ophelia, and her husband, Fester. Additionally, her mother, Kathleen Raecke, Auntie Graycee (also godmother) and Aunt Sarah, Grammy Theresa, and Papa Scott will be left to cherish The Baby’s memory.

A private service will be held with family and close friends.
