

# MCGILL, POWER, BELL & ASSOCIATES, LLP

What can we do for YOU?

## TAX SERVICES

With the significant tax transformations that have taken place in recent years, MPB provides services and education on how the laws impact our clients' current and future plans. We prepare both individual and business tax returns.

## ACCOUNTING SERVICES

MPB provides a wide array of accounting services, including bookkeeping, payroll processing and reporting, and software consultation. In addition, we collaborate with our clients to customize the services they require.

## CONSULTING SERVICES

MPB provides consulting services to assist our clients with various business and individual decisions. We can provide help with estate planning, financial planning, part-time CFO consulting, business valuation and litigation services, just to name a few.

## AUDIT SERVICES

MPB is committed to providing quality audits. We understand the importance of audits to owners, management, directors, investors, lenders and other stakeholders. We work to understand the risks faced and focus our attention where it is most impactful.
