

SCHOOL SAFETY

This message is brought to you by the following businesses and sponsors who care about our community

ADVICE FOR MOTORISTS:

-  Be extra cautious near schools, playgrounds, and bus stops
-  Never pass a school bus loading or unloading children.
-  Watch out for children walking, biking or on scooters.
-  Obey posted speed limits and be ready to stop quickly when children are in the area.

ADVICE FOR KIDS:

-  Look both ways before crossing the street and always use the crosswalk.
-  Don't talk to strangers and use the buddy system as you walk to and from school.
-  Stay seated whenever your school bus is in motion.
-  Tell a parent or teacher if someone is bothering you, or if you hear someone talking about hurting others.
