

Thank You America's Military Veterans!!

Veteran's Day, November 11, is the time to say "thank you" to those who have worn a military uniform and to those who today are keeping strong the unbroken bond of service.

Just as generations before, the men and women of today's armed forces put their lives on the line to combat and preserve our freedom. Today, we join all Americans in saluting our veterans, past and present.

We honor our local Veterans and those currently serving our county.
Happy Veteran's Day
