

I don't want to leave my home... but maybe it's time.

If you are:

- Relying on family friends or neighbors
- No longer driving
- Not eating right, tired of cooking and dining alone
- Getting forgetful
- Falling or feeling unstable
- Unable to manage home maintenance and household chores
- Feeling lonely, missing friends and social opportunities
- Having difficulty getting to appointments and church
- Struggling with daily tasks or taking medications

**Maybe it's time for a change, call us today at 814-332-9009
to schedule a tour of Cribbs Residential Center.**

**Where we provide all the comforts of home
and the service you need. We even offer trial stays!**
