Dedicates for the 2025 Venango County Fair

The Venango County Fair is the place where “Memories Come Alive in 2025,” and those memories might be of hot dogs, picking rocks, showing 4-H projects, horse shows or track events. The memories could be the people; new and old friends, leaders and mentors, competitors and vendors. No matter if it was a blue ribbon or a class that didn’t earn a ribbon, we have the memories and we have more memories to make. This year we dedicate the fair to the following as they are part of our memories.

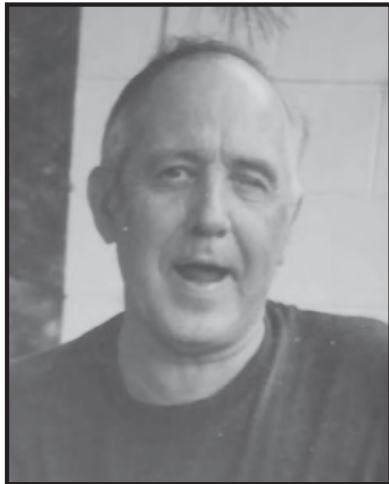

Mary Lou Lazar

Charles ‘Chip’ Heffern

May you enjoy the fair and continue to make new memories!

4-H members are not to use their own animals. Animals for this contest will be provided for you.

4-H members will be evaluated on their showmanship skills.

A points system will be used to score the contest: 1st – 7 points, 2nd – 6, 3rd – 5, 4th – 4, 5th – 3, 6th – 2, 7th – 1.

The 4-H member with the most points will be named Supreme 4-H Showman. No placings will be awarded.

4-H members may only win this contest once in the species they qualified in. To compete in the contest again, a winner of this contest must be carrying a 4-H project of a different species and win the senior showmanship class.

For example: John Smith places 1st in Beef Showmanship for 2024. John wins the Supreme 4-H Showmanship Contest. In 2025, John takes a swine 4-H project and wins the Senior Swine 4-H Showmanship. He is eligible for the Supreme 4-H Showmanship contest for 2025. If John had continued to show only beef after 2024, and won the Senior Showmanship contest again, he would not be eligible to participate in the Supreme Showmanship contest. In this case, the competitor with the 2nd most points would be considered for the Supreme 4-H Showmanship contest for 2025.
