Donald L. Barniske, O.D.

ANNOUNCEMENT

This letter is notification that my optometric practice, Vision Care Center Brawley, will close permanently, effective August 30, 2026.

I have made the difficult decision to announce the closure of Vision Care Center Brawley after more than 52 years of practice. The office has provided vision care in Brawley for more than 100 years. Despite multiple attempts, I have not been able to find another optometrist to take over the practice, and I have reached the point that I must retire.

Your eye health and vision care remain my top priority. You have the right to obtain a copy of your optometric records or have them transferred to another provider of your choice.

To ensure a smooth transition of your records before the August 30 closure:

- ▶ Please contact our office as soon as possible.
- ▶ We require a signed, written release of records form from you to fulfill your request.
- ▶ After August 30, 2026, send records requests to Vision Care Center Brawley at PO Box 1071, Brawley, CA 92227.

If you need assistance finding another optometrist, you may visit the **California State Board of Optometry** website at www.optometry.ca.gov or call (916) 575-7170.

It has been an honor and a privilege to care for your vision needs. I am deeply grateful for your trust, loyalty, and the relationships we have built over the years.

With warm regards and best wishes for your continued eye health,

Dr. Donald L. Barniske,
OPT License #5636
