NOW HIRING FOREMAN - DIRT CREW

VTF Excavation is seeking an experienced foreman to work with excavation/dirt crews on completing multi-faceted projects. Must have the ability to oversee crews and plan accordingly to ordering materials, determining schedules, and working with management and vendors. Background in excavation or dirt work is required, with working knowledge of computers, mobile devices, and applicable excavation software. This is a full time position with competitive wages, health insurance, 401K, and holiday/vacation pay.
