The Town plans to authorize the selected engineer to proceed with this project immediately.

All project bidding, construction administration, and inspection/closeout activities associated with these projects will be performed in accordance with Community Development Block grant and/or Federal requirements and regulations.

The Town, utilizing a qualifications-based process, plans to select a consulting engineering firm licensed in the State of New York to complete the CDBG-funded Town of Livonia Sanitary Sewer Improvement Project.

The Preliminary Engineering Report for the project and a copy of the successful CDBG application are available at the Town Hall (35 Commercial Street, Livonia, NY 14487), the Livingston County Water and Sewer Authority Administrative Offices (1997 D'Angelo Drive, Geneseo, NY 14454) and https://lcwsa.us/bidding-opportunities/ should additional specific project information be required.

All qualified engineers will receive consideration without regard to race, color, religion, creed, sex, age, or national origin. The Town of Livonia strongly encourages MWBE and Section 3 firms to submit proposals and may partner with qualified MWBE and / or Section 3 firms to submit a proposal.

Please provide three (3) copies of your qualifications and related materials via electronic or hard copy no later than March 13, 2026 at 2:00 pm. For more information and requirements regarding this RFQ, please visit https://lcwsa.us/bidding-opportunities/.
