Bath-Haverling boys soccer head coach **Matt Hill** made some history recently. Hill became the winningest coach in school history after his team won last week, earning his 336th career victory. Since then, he has staked several more as his team is off to a 7-1 start entering action Wednesday night.

The Rams' lone loss came to defending state champions East Aurora, and the team is undefeated against Section V opponents. Hill has his team positioned not only to grow his program's record win total this season, but possibly to add an 11th sectional title to his resume by season's end.
