LIVINGSTON COUNTY PUBLIC NOTICE STATE OF NEW YORK STATE BOARD OF ELECTIONS CERTIFICATION To the Boards of Elections of the State of New York: Notice is hereby given, that at the General Election to be held in this State on Tuesday, November 7, 2023, the following proposal will be submitted to the people for their approval: ABSTRACT OF PROPOSAL NUMBER ONE, AN AMENDMENT This constitutional amendment removes the special debt limit for small city school districts. Debt limits would be established in state law for all school districts. A small city school district is one that includes at least part of a small city. A small city is a city with less than one hundred twenty-five thousand people. The State Constitution limits how much debt a small city school district can incur. Their debt cannot be more than five percent of the value of taxable real estate in the district. There are exceptions for certain expenses. Other school districts are not subject to a constitutional debt restriction, but have a different debt limit provided by state law. State law says their debts cannot be greater than ten percent of the value of taxable real property. If this Constitutional Amendment passes, small city school districts would be eligible to have the same debt limit as other school districts enacted via legislative action. TEXT AUTHORIZING SUBMISSION A concurrent resolution of the Senate and Assembly proposing an amendment to section 4 of article VIII of the Constitution, in relation to limitations on local indebtedness, the full text of which can be found at: www.elections.ny.gov FORM OF SUBMISSION OF PROPOSAL NUMBER ONE, AN AMENDMENT Removal of Small City School Districts From Special Constitutional Debt Limitation The proposed amendment to Article 8, section 4 of the Constitution removes the special constitutional debt limitation now placed on small city school districts, so they will be treated the same as all other school districts. Shall the proposed amendment be approved? Given under our hands and seal of office of the New York State Board of Elections, at the City of Albany this 3rd day of August in the year two thousand twenty-three. ABSTRACT OF PROPOSAL NUMBER TWO, AN AMENDMENT The Constitution limits the debt counties, cities, towns and villages can incur. This debt limit does not include debt for sewage treatment and disposal construction projects. The sewer debt exception expires on January 1, 2024. This amendment extends the sewer debt exception for ten more years until January 1, 2034. The proposed amendment does this by changing section 5 of article 8 of the Constitution. TEXT AUTHORIZING SUBMISSION A concurrent resolution of the Senate and Assembly proposing an amendment to section 5 of article VIII of the Constitution, in relation to the exclusion of indebtedness contracted for sewage facilities, the full text of which can be found at: www.elections.ny.gov FORM OF SUBMISSION OF PROPOSAL NUMBER TWO, AN AMENDMENT Extending Sewage Project Debt Exclusion From Debt Limit The proposed amendment to Article 8, section 5 of the Constitution extends for ten years the authority of counties, cities, towns, and villages to remove from their constitutional debt limits debt for the construction of sewage facilities.
