York boys basketball head coach **Joe Stella has excelled in his first season at the helm. Taking over a team that took home a sectional title a year ago, the Golden Knights started a bit slow, dropping their first two games. Since then, York has found its groove, rolling to four straight wins. In those victories, York has outscored its opponents 282-149 during that stretch. Stella and the Golden Knights should be right back in the race for a title this season.**
