**Hornell indoor track and field head coach **Ann Ball** continues to lead the program to new heights. The Hornell girls won the Section V Class B2 Indoor Track and Field title for the second straight season, capping a season in which the girls' team shattered records and racked up wins. In total, Hornell had seven event winners in Class B2, and several athletes will advance to Saturday's NYS Qualifier meet. It is the second indoor track and field title in program history for the Hornell girls, who had never won before last season's triumph.**
