THE VOTES ARE IN!

We are thrilled to present the winners of this year's Best of Haywood County! Your support helps celebrate the people, businesses, and places that make our community such a great place to live, work, and explore. Whether you're looking for a trusted pet groomer, electrician, furniture store, pizza spot, or bookstore, the winners in these pages are your go-to favorites—so remember to shop and dine local every chance you get!

If your business won 1st, 2nd, or 3rd place, you can order an official Best of Haywood plaque for just \$50 by calling us at 828-452-0661. Please be aware that some businesses have received fraudulent, overpriced plaques or invoices from Regent Plaque & Sign, LLC (an out-of-state company not affiliated with us). If you get one, refuse the shipment, do not pay, and report it to the New Jersey Better Business Bureau.

Thanks again for supporting Haywood County's best—we're proud to showcase the businesses and dedication that make our community thrive. Keep supporting our local businesses, and we'll see you next year!

READER'S CHOICE

This year's \$100 drawing winner is Catherine Barker. Her entry was drawn at random from over 180,000 votes that were cast by our viewers & readers just like you who continue to make this contest a smashing success!

Thank you to all of the voters who participated in this year's Best of Haywood Reader's Choice contest.

Before visiting any businesses listed in this publication, we encourage you to check their company websites or social media pages for the most up-to-date information. Due to Hurricane Helene, many local businesses in our area experienced damage and disruptions. However, most are now open and ready to serve you—your support means the world to them. Remember, shopping local makes a big difference!

My husband, myself and both my children see Dr. Mike and Dr. Tara, they both do amazing work. We appreciate them and highly recommend them from your Chiropractor needs! Autumn P.

I am so appreciative of the chiropractors and the staff. Their knowledge, expertise, and genuine care for patients is commendable. I always feel better after my visits. Ginger Y.

Chiropractic For Relief, Healing, and Prevention

Very caring and knowledgeable practice. Extremely good care for sports minded individuals. Dr Micheal Hogan knows well how the body should be aligned, and what you should do to keep it that way. He practices what he advises..... If your a gym person he is your guy. If your not a gym person he is also your guy. You might just want to think seriously about becoming a gym person it definitely helps to keep your body tuned especially with his help. Karen Z.
