THE VOTES ARE IN!

We are thrilled to present the winners of this year's Best of Haywood County! Your support helps celebrate the people, businesses, and places that make our community such a wonderful place to live, work, and explore. Whether you're searching for a trusted pet groomer, plumber, mechanic, furniture store, a new favorite hangout spot, or your next exciting read, the winners featured in these pages are the neighbors and businesses you've chosen as the very best — so remember to shop and dine local every chance you get.

To our readers: it is no small thing to show up for your community the way you do. Every vote cast is a reminder that the people of Haywood County care — about their neighbors, about the businesses that line these streets, and about the stories that connect us all. At The Mountaineer, we are honored to serve a readership as thoughtful and engaged as you. You make this publication what it is, and for that, we are truly thankful.

We are proud to showcase the talent, dedication, and spirit that make Haywood County thrive. Keep supporting your local businesses — and we'll see you next year!

READERS CHOICE

This year's \$100 drawing winner is Alissa Sutfin. Her entry was selected at random from more than 220,000 votes cast by our dedicated viewers and readers — people just like you, whose continued participation makes this contest the beloved tradition it has become.

A heartfelt thank you to every voter who took part in this year's Best of Haywood Reader's Choice contest. Your enthusiasm and engagement are what bring these results to life, and we are deeply grateful for each and every one of you who made your voice heard.
