HometownHARDWARE

Hometown Hardware was created In October 2012 by brothers David And Mike Singleton, who saw the need for a real old-fashioned hardware store, with expert service, knowledgeable support, and a wide selection of top-quality products. They named it to match their vision, and Hometown Hardware was born. David can be found in the store nearly every day and hopes you'll stop by and introduce yourself.

BEST OF HAYWOOD COUNTY

On behalf of us here at **Ëuphoria Tattoo & Piercing** we would like to say THANK YOU for the continued love and support we receive from Haywood County! We are honored to be voted number one by the community. Nate and I moved our little family here almost 12 years ago with a dream to build a studio like no other! We're grateful everyday for everyone who has helped make this dream become a reality.
