The Town of Waynesville Parks and Recreation Master Plan is a 10-year vision for the future of Waynesville Parks and Recreation.

Stop by to learn about the Master Planning process and share your thoughts on current facilities, programs, and events! This open-house-style event allows you to participate for as long or short as you like.

# WHAT TO EXPECT AT THE OPEN HOUSE

- Members of the Consultant Team and Waynesville Parks & Recreation staff will be available throughout the event to walk you through the displayed materials and answer any questions.
- Materials on display will include infographic boards highlighting demographic trends, park facility data, program participation statistics, and staffing information. Interactive stations will also be set up around the room to encourage attendee feedback and participation.
- This open house will not include a formal presentation. The drop-in format allows participants to attend at their convenience between 4:00 p.m. and 7:00 p.m. to learn about the Master Plan and share their input.
- Light refreshments will be provided for attendees.
- Please note that this is the first of two open houses planned as part of the Master Plan process. A second open house will be held later this spring.
- If you are unable to attend, we encourage you to complete the survey linked below and visit the project website for ongoing updates. The survey will remain open through Wednesday, March 11.

## WE HOPE TO SEE YOU THERE!
