JACOB PHELPS

Jacob Phelps, a senior at Buena Vista High School, is the Student of the Week.

He is the son of Brittany Phelps.

Jacob is a member of SALT (Student Athlete Leadership Team) and is involved in the Link Crew.

He is a member of the National Honor Society and has a 4.0+ grade point average. Science has been his favorite subject.

A three-sport varsity athlete, Jacob participates in football, basketball and track. He was named the 2022 Player of the Year for the Western Slope Football League.

His hobbies include chess, working out and games. His community involvement includes programs for BV youth and labor for elders.

Jacob said he takes pride in being the best he can be while helping build team spirit. His greatest joy comes from helping people, and that is reflected in his leadership skills.

After high school he plans to attend college in Colorado to earn a bachelor's degree in exercise science and possibly pursue a master's degree in athletic training. His dream is to be an athletic trainer for a college or NFL football team.

Greg Perrin, social studies teacher and head baseball coach, said, "Jacob has been a model student athlete throughout his high school career, excelling on the field and leading in the classroom. He's a positive example for younger student athletes to model themselves after and has been a joy to coach and teach."
