

Dear Franklin County Board of Elections,

09/09/2026

This is Hoda Adheys. I am the girlfriend of Rep. Ismail Mohamed. I was just served with a subpoena regarding the matter of my boyfriend's residence and our investment property in Delaware.

I am working with Mr. Abdi, our real estate and with my consultant regarding the documents you all requested. Furthermore, I have requested and I am getting a copy of my residence at Kings Hill. I am working on Monday; September 14th and I have been unable to obtain leave for that day so I can attend. Also, I am still waiting for additional documentation that was requested.

As such, I am requesting that I be excused for the hearing and I be granted another date so I may appear with the requested documents. Also, I wish to have an attorney represent me and I am trying to find one.

In conclusion, I am requesting another date for the hearing.

Regards,

Hoda Adheys
