Members of the Moore County Board of Education:

Pursuant to Section 13 of the Superintendent's Employment Contract, I respectfully submit my resignation for the purpose of retiring from public education effective January 31, 2022.

Words cannot express the depth of my gratitude to the School Board and to each individual who has served as one of its members during my seven-year, seven-month tenure. It has been my privilege to serve you, and to serve with you. It also has been my distinct honor to serve with the dedicated employees of Moore County Schools as we have endeavored to meet the needs of our wonderful students. I hope that our collective service to the Moore County community has been marginally as valuable as the community's support has been for us.

The first day of my retirement will be February 1, 2022. Please let me know if you need any additional information or if I can be of any assistance with your determination and orientation of my successor.

Respectfully,

A handwritten signature in black ink, which appears to read "Bob Grimesey, Jr.", is written over the typed name.
