Rolla, Missouri - The Phelps County Prosecuting Attorney is seeking information to locate 30-year-old Jennifer Isgriggs. She is wanted in Phelps County on a felony warrant for failure to pay child support. Her last known address is in Phelps County, but she may be hiding out with Donald Eugene Fields II, who is also a fugitive. Fields II is an FBI fugitive, who is federally indicted with sex trafficking of at least one child in Missouri between approximately 2013 and 2017. He also faces child rape charges by the State of Missouri.

Isgriggs, who also goes by the name Jennifer Fields, is believed to be in a romantic relationship with Fields II. The warrant for Isgriggs was issued in October 2021. If you know the whereabouts of Isgriggs please contact the Phelps County Prosecuting Attorney at (573) 458-6170 or the FBI at 1-800-CALL-FBI.
