**NOTICE OF VOLUNTARY DISMISSAL**

Under Rule 41(a)(1)(i) of the Federal Rules of Civil Procedure, this action may be dismissed by Plaintiff without order of the Court by filing a Notice of Dismissal at any time before service by the adverse party of an answer or of a motion for summary judgment.

Since filing her Complaint, the adverse parties have provided information that Plaintiff had been seeking to understand the facts and circumstances surrounding her brother's death. With that information, and the fact that the adverse parties have not answered the COMPLAINT or filed a motion for summary judgment, Plaintiff DISMISSES this action.

By filing this NOTICE, dismissal may be accomplished without further order of the Court. If, however, the Court wishes to enter an Order dismissing the action, Plaintiff does not object.

Dated October 14, 2025.
