

# New Study

Will babies crawl towards a voice speaking their mother tongue?

Help us find out by participating - using the QR code on right

Scan the QR code below for Consent to Contact & Registration

**We are looking for 0-2 month-old BABIES!**

- Fluent English-speaking parents
- It takes 90min
- It's fun!
- Located on the McGill downtown Campus
- \$20 cash, free parking and a participation certificate are offered

Parents who participate in the study will be eligible for a chance to win \$50 or an activity table.
