

PROTECT YOURSELF FROM FRAUD & SCAMS

Presented by the Fraud & Scams Sub-Committee of Social Action

Monday March 16 • 7 pm

ONLINE • FREE

Join us to learn practical and actionable ways to combat frauds and scams before they happen.

You are not alone! Scams are everywhere. With AI now part of the picture, fraud prevention requires new approaches.

Expert presenter Eric Ouimet, CFE will show you how to spot scams, protect your personal information, and navigate phone calls, emails, and online offers with confidence. He will share real-life examples, practical tips, and helpful resources to help you stay informed, safe, and secure. Simultaneous translation (English to French).

The Cummings Centre Social Action Committee

True advocacy is based on understanding and empowering ourselves and others. The Cummings Centre Social Action Committee raises awareness on key issues facing older adults today. Through education and information we inspire older adults to advocate for themselves and others in the community.

Planning informative sessions accompanied by up to date resources, we aim to respond to today's most timely topics such as Ageism, Frauds and Scams, Tenants' Rights, and preparing yourself as you age.
