### DEVOTED to MOTHER

In continuing with tradition, The Sunday Times asked readers to write about what makes their moms so special. Children of all ages throughout the region wrote letters about their mothers. One story stood out, and the family is highlighted in today's Mother's Day edition. Pictured above are Scranton resident Patty Rusinko and her two sons, 7-year-old Kyle and 1-1/2-year-old Nicholas. The Rusinkos adopted Kyle from Russia when he was 6 months old, and Nicholas is Mrs. Rusinko's "miracle baby." Read their full story on the cover of the People Section and spend more time with the Rusinkos at [www.thetimes-tribune.com](http://www.thetimes-tribune.com).
