DINE OUT IN DOWNTOWN

The Greater Mystic Chamber of Commerce in partnership with the Westerly-Pawcatuck Downtown Business Association presents Restaurant Week. Over the last three years, Mystic has become a true stop for the serious food connoisseur. During that time, Westerly and Pawcatuck have also upped their restaurant game and Restaurant Week is a perfect opportunity to show off the goods. This Restaurant Week will have participants feature their favorite burger. Now this does not have to be 2 buns as it can be burger pizza, salad, taco, etc.

Patrons who dine-in or take-out from participating restaurants, for any meal (breakfast, lunch or dinner) can enter to win prizes donated by the member businesses of the Greater Mystic Chamber of Commerce and Westerly-Pawcatuck DBA. In addition, prizes will also include gift certificates from participating restaurants.

The Mystic Chamber is committed to promoting business and community and that could not be better defined than this partnership.

Intro From the President

What a great partnership between the Westerly Sun and the Greater Mystic Chamber of Commerce to create this informational insert into the paper. My name is Bruce Flax and I am the new President of the Greater Mystic Chamber of Commerce.

The Chamber has a long history that includes our neighbors to the east. Westerly is a beloved part of our community and we are excited to share information through the Westerly Sun connection.

It has been a busy year, 2021 and the chamber has hired a new staff. Please welcome Morgan Yandow as the Membership Manager and Solveig Persson as the Marketing and Event Specialist.

We have come off a successful summer with the return of the Mystic Outdoor Art Festival and the creation of a new event at Eastern Point Beach in Groton, the Groton City Brew Run. This is a 3.4 mile race and a brew fest afterwards with the Thames River and Long Island Sound as the backdrop. Save the date for next year's Groton City Brew Run, September 10, 2022.

We are excited to be partnering with the Westerly-Pawcatuck Downtown Association for Restaurant Week and Dine Out in Downtown November 1st to the 7th. You can read more about that, upcoming events, and the new faces at the chamber in this inaugural insert. In addition, the chamber has scheduled Santa Arrives by Tugboat, the Lighted Boat Parade, our year end Party of 12 and Awards Ceremony, and the Downtown Mystic Stroll to round out the rest of the year. We are looking forward to 2022 and a major celebration for the Hundredth Anniversary of the Mystic River Bascule bridge.

The Greater Mystic Chamber has taken the opportunity to look at how we have operated and have a renewed interest in our members, their business, and the community. We want to ensure that our members are heard, and we do everything we can to contribute to their success.

The chamber team has come together, risen to the challenges faced and grown. We are focused on the future and the success of our members. Here is to a successful end of 2021!

STAFF BIO

SOLVEIG PERSSON

Marketing and Events Specialist

My name is Solveig Persson and I am the new Marketing and Events Specialist at the Greater Mystic Chamber of Commerce. Prior to joining the chamber team in June of 2021, I graduated from the University of Rhode Island with a B.A. in Public Relations. We at the Greater Mystic Chamber of Commerce are advocates for small and large businesses, strategically marketing our unique town to a range of tourists throughout New England. Now more than ever, we are excited to be back in person to host monthly networking events, grand openings and ribbon cutting ceremonies to celebrate new businesses.

As a new chamber team, we have been busy safely bringing back events to Mystic. We kicked off the summer with the Floatchella- Music on the Water followed by 63rd Mystic Outdoor Art Festival, a two-day event featuring a brand new show route with the addition of a Performing Arts Stage. In September we partnered with Groton Utilities to host the 1st Groton City Brew Run, which took place at Eastern Point Beach bringing in over 300 runners for a 5K race and beerfest. Restaurant Week, Santa Arrives By Tugboat and the beloved Holiday Lighted Boat Parade are back again this November for the holidays. We will close out the year in December with the Downtown Christmas Stroll and Luminaria and host our Annual Gala, Party of 12 in conjunction with the Chamber Awards Ceremony at the Velvet Mill in the Stonington Borough.

I am thrilled to be a part of the wonderful team at the Greater Mystic Chamber of Commerce and look forward to hosting events that bring our community together to promote local business and regional tourism. We are a resource for small business owners and a strong community partner in the Greater Mystic area.

MORGAN YANDOW

Membership Manager

I joined the Greater Mystic Chamber of Commerce in April of 2021 as the new Membership Manager. The Mystic Chamber is a whole new team and within my first six months of working with this team we have already accomplished so much and are continuing to develop new and improved membership programs. My background is in human resources and customer service, so as the Membership Manager, I want to make sure our members see value in the chamber and are getting a benefit as a member. Our benefits include recognition in our bi-weekly e-newsletters, social media posts, networking events through our business before and business after hours, ways to get involved through committees and more! We also

offer extensive sponsorship opportunities where members (depending on the sponsorship level) can be recognized at events, on television, on radio and throughout town on banners and advertisement signage. Mystic has a lot of value for members and according to the Department of Transportation, over 10,900 cars on average go over the bascule drawbridge each day. Having a banner or any sort of advertisement in Mystic, adds extensive visibility for businesses and the Greater Mystic Chamber of Commerce is happy to help support, promote and get your name out there in the Mystic community!

A benefit we are currently working on and planning to launch in 2022 is our business-to-business member benefit, where members can help support each other. For instance, we would like to build packages for our members in real estate to give out to new home buyers and locals that offer possible discounts at some of our members; such as, appliance stores, paint shops, etc. We are also working on getting our members health, 401(k), and other human resource benefits. More information to come out soon!

Our members truly matter to me and I look forward to continue developing ways to better benefit our members!

We're proud to put everything we have into everything we do!

It feels good to know that the time, energy, and money we put into our local communities helps to make them stronger.

SANTA ARRIVES BY TUGBOAT NOV. 27TH & LIGHTED BOAT PARADE NOV. 27TH

Santa Claus is coming to town and so is Mystic's Holiday Lighted Boat Parade in Historic Downtown Mystic on November 27, 2021. Santa will greet the crowds and listen to all the children's wishes during his visit. Children are encouraged to bring their letters to Santa and place them in his special North Pole mailbox. The 'Christmas Tree Lighting' will begin at 6pm with the Holiday Lighted Boat Parade to follow. Spectators and passersby line both sides of the Mystic River to watch as decorated boats pass by in the 18th Annual Holiday Lighted Boat Parade. Boats are judged on creativity and team spirit, with prizes offered in five categories: 'Most Charismatic Crew', 'Innovative Vessel', 'Best Dressed Vessel', 'Most Holiday Spirit' and 'Miss Mystic Vessel of Grandeur'. This event has become a beloved tradition in Mystic over the years-- so don't miss out! The Pawcatuck Neighborhood Center will be on site to collect unwrapped toy donations for the holidays. Come out and spread holiday cheer while supporting a great cause!

PARTY OF 12, DECEMBER 2ND

The Chamber is excited to bring back what many considered the best year end party we have had in quite some time. Party of 12, held at the Velvet Mill, was the party of 2019 and after taking a break in 2020, is back for 2021. Planned for December 2, the committee is again working to bring delicious food from the best local restaurants together with music, cocktails and your friends. The festivities will start at 5pm with a short but important awards ceremony. The 2020 Joyce Resnikoff Tourism Award will be given to co-winners Steve Coan and Stefan Ambrosch and we will be premiering two new awards, the 15 over 50 Mystic Ballast Award and the Mystic Keel Award. Event information, the ink to purchase tickets and nominating forms can be found at www.mysticchamber.org.

DOWNTOWN CHRISTMAS STROLL DECEMBER 7TH

Don't miss the Downtown Mystic Holiday Stroll on Tuesday, December 7th from 6-9pm. Enjoy the festive sounds from local carolers and holiday shopping specials in the stores. Shops will stay open late, restaurants will be offering specialty holiday cocktails and you may even catch a glimpse of Santa as he passes through spreading holiday cheer.

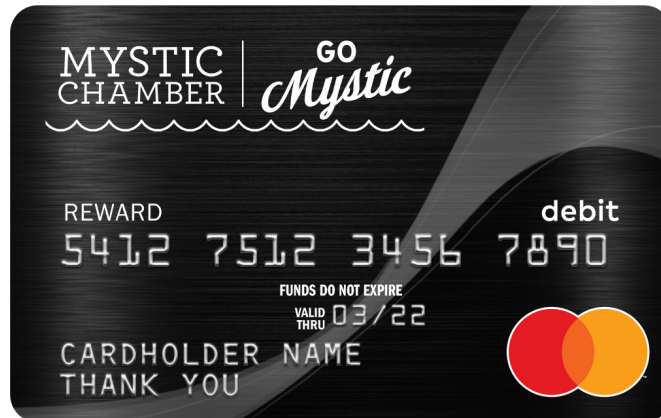

GO MYSTIC MASTERCARD® GIFT CARD

INTRODUCED BY THE GREATER MYSTIC CHAMBER OF COMMERCE

As we enter the Holiday season, the Greater Mystic Chamber of Commerce is excited to introduce the GO MYSTIC MASTERCARD® GIFT CARD. The Go Mystic Mastercard Gift Card is accepted by all current members of the Greater Mystic Chamber of Commerce and is part of the Chamber's Go Mystic Shop Local movement, focused on improving our economy and community through local spending.

As few as 5 years ago, the Chamber sold Mystic Bucks, a paper currency of sorts that were accepted by our members. In 2017 the Chamber embarked on the Go Local gift card program that continued local spending. It was a gift card but was only accepted by 25 percent of our members. The new GO MYSTIC Mastercard gift card is accepted by all Greater Mystic Chamber members. The card is not only accepted at retail shops, restaurants and hotels, but also with contractors, service providers like plumbers and electricians, utility companies including electric, gas and oil, and any chamber member business that currently accepts Mastercard.

This GO MYSTIC gift card provides unlimited gift giving this holiday season and beyond. The GO MYSTIC

Mastercard Gift Card is the perfect gift to give while also supporting the local economy through shopping local. Your purchase of a GO MYSTIC Mastercard Gift Card is a gift that keeps on giving.

President Bruce Flax said "The GO MYSTIC Mastercard adds to the list of Chamber member benefits as it validates another method of payment that can be

used at every Greater Mystic Chamber member who currently accepts Mastercard. Every dollar spent on the GO MYSTIC card will end up in the community through spending at chamber members businesses."

In addition, there will be a push to market the card in tourism circles to encourage those visiting Mystic to buy the card. Do you have friends and relatives planning visits to Mystic? The GO MYSTIC Mastercard Gift Card is the perfect holiday gift and can be ordered in any denomination. Advance purchase of the card by visiting Tourists will ensure their dollars are spent at Greater Mystic Chamber Businesses.

Cards can be purchased at www.thecommunitygiftcard.com/intake/gomystic. The order process will take 7 to 10 business days so plan ahead and order now! The Greater Mystic Chamber office located at 22 East Main Street will also carry a limited supply for immediate pick-up.

On Black Friday, anyone who purchases a \$100 GO MYSTIC Mastercard Gift Card will receive a free \$25 GO MYSTIC Virtual Rewards Mastercard. Please see all of the details at www.mysticchamber.org.

The Lyman Allyn Art Museum welcomes visitors from New London, Southeastern Connecticut and from all over the world. Established by a gift from Harriet Allyn in memory of her seafaring father, the museum opened the doors of its beautiful neo-classical building in 1932. Today it houses a fascinating collection of over 17000 objects from ancient times to the present; artworks from Africa, Asia, the Americas, and Europe, with particularly strong collections of American paintings, decorative arts, and Victorian toys and doll houses.

Keltech Technology Services LLC was started with a clear mission: to provide a great work experience while keeping systems up to date, secure, and protected. Our founder, Kelim Caron, has many years of experience in the Information Technology (IT) industry. Realizing the immense potential the industry presented, he ventured out on his own to start a company that valued proactive, forward-thinking solutions. Keltech was then born with the belief that the end user's experience is just as important as the security and fidelity of the computer systems.
