Director’s Report

The air conditioner, minus a few components, is original to the building, and it is giving us significant trouble. The Board will need to consider replacing it soon.

Ms. Judy Boyce retired effective June 30th. Judy served the children and the community of West Baton Rouge parish for 27 years. Her accomplishments and her contributions are way too many to list. We wish her all the happiness that she is so deserving of in her retirement.

Ms Martin introduced Corey Young as the new Programming Coordinator. Mr. Young made comments about programs he has planned. On August 10th, Angela Germany will join us as our Youth Services Librarian.

In person programming has been suspended because of COVID-19. Staff are currently providing virtual program options including story time, crafts, and book club.

We purchased two AWE computers. They provide learning games and computer experience for children. They do not have Internet access.

The website is almost complete and should go live very soon.
