

Full-Time Production Laborers

Forterra is a leading manufacturer of pipe and products in the U.S. and Eastern Canada for a variety of water-related infrastructure applications, including water transmission, distribution and drainage. We specialize in the manufacturing of pre-cast concrete products for a wide variety of uses for the underground utility industry.

The Iowa Falls team is looking to recruit 15 full-time Laborers. The starting hourly wage is \$16.00 per hour, with an increase consideration after 60 days based upon satisfactory performance. Forterra also offers a \$250 incentive payment after a three-month review, and another \$250 after a six-month review.

We offer an excellent benefit package that includes: vacation, ten paid holidays, 401k plan with 4% contribution, medical, dental, and vision insurance, short and long-term disability and life insurance. Please complete an application at:
