Alden Board of Education  
Iowa Falls-Alden Teachers and Staff

Fr: Dr. John Robbins, Superintendent

Re: Announcement of Retirement

Dear Colleagues:

It's with real mixed emotion that I announce my retirement as superintendent of schools. I have sincerely loved my job; and cherished all of the kids, teachers, support staff, and board members that I have had the pleasure to work with over the past twenty years, but it's time for me to move on.

No words can adequately express my deepest gratitude to the Iowa Falls and Alden communities. They generously allowed me to be an educational leader for their most treasured possessions – their children; and have treated me with the utmost respect and dignity throughout my tenure. I remain truly humbled by their trust and confidence in my abilities.

My official retirement date coincides with my last day of my 2018-19 contract - June 30, 2019. Until then I will continue to do my very best each day to help make our schools great places where every child can learn, lead, and succeed!

Sincerely,

Dr. John Robbins,  
Superintendent
