

February 24, 2021

Dear IFAHS Students and Parents,

I am excited to inform you that we are moving ahead with plans to have prom on the scheduled date of Saturday, May 1, 2021. We hope to make this experience as normal as possible. However, after consultation with Hardin County Public Health, there will be some changes. We will share many more specifics at a later date, but below are some details I wanted to make you aware of at this point.

- Masks must be worn at all times when inside the school or prom venue (Exception: Prom-goers for formal pictures and the promenade)
- Underclassmen can be guests of the upper classmen. After proper approval, outside guests will also be allowed. Approved outside guests must also provide a photo ID to be admitted.
- A promenade will happen at the high school gym instead of our traditional drive up. All prom participants will receive four tickets for family/friends to attend.
- Temperature checks will be administered before students will be admitted into the dance.
- The dance will take place at Albright's Bluff (Formerly Camp David) in Iowa Falls.
- We will video stream the promenade. Video of the decorations at Albright's Bluff will also be available.

Disclaimer: Although we recognize that there may be a need to change some things depending on how the pandemic progresses, we are hopeful that we will be able to stick with this plan.

Thanks for your patience and understanding.

Sincerely,

Kyle Hutchinson
