## Molher Nature's Fury Are you prepared?

**D**isaster can strike at any time. How ready are you? Do you know what natural disasters might strike your area? Do you know how to respond to them? Do you have a disaster supply kit on hand? If not, now is the time to prepare. Get the facts about your area and make a disaster supply kit. Here is a list of supplies you should include your kit:

Depending upon your situation, you may need additional supplies like formula for an infant or medication for a senior. You can create your own kit or purchase a ready-made kit and add to it. Just make sure it has what you need to get through any of the natural disasters that could affect your area.

- Three-day supply of non-perishable food
- Can opener
- Paper cups, plates and plastic utensils
