BUSINESS REVIEW FEATURE > SCHNEIDER AUTOHAUS

YOUR VEHICLE IS AN IMPORTANT INVESTMENT...

We have the skills, knowledge and experience to diagnose and fix the problem.

My name is Jim Schneider, and I am the owner of Schneider Autohaus located at 3711 Florence Blvd in Florence.

I was born and raised in California and my early life was filled with fun opportunities. Growing up, I seemed to be attracted to anything with wheels and I was interested in what made them work.

This love extended to aircraft, which lead me to serving for four years in a Naval Fighter Squadron, where I performed aircraft maintenance on an aircraft carrier. This experience taught me the importance of proper maintenance and getting the job done right the first time.

After my service in the United State Navy, I attended a two-year trade school to round out my education and I

became an automotive service professional. I have worked in the trade for over 40 years and have been in business for myself since 2000.

Me and my family relocated to the Shoals in late 2007 to escape the congestion and rat race of Southern California.

The first two years I was in Alabama, I spent time outside of the automotive industry, meeting folks and seeking out opportunities in underserved areas for business.

What I found was one of the most significant underserved areas, service for European cars, was the one I knew best. This led to my opening Schneider Autohaus in 2009 to help fill the gaps and provide car owners with the services they need and deserve.

Here at Schneider Autohaus, we are committed to helping our customers spend less time in the shop and more time on the road. We are dually focused on performing repairs and anticipating issues before they develop into major problems. For all your European car repairs, you can call us at (256) 712-5596 or come by to see us at 3711 Florence Blvd, Florence, AL. Our hours are Mon-Fri 8:00 am to 5:00 pm.

Specializing in European and other foreign cars
