BUSINESS REVIEW FEATURE > PILGRIM'S PRIDE

NEARLY 1 OUT OF EVERY 5 CHICKENS IN THE US COME FROM PILGRIM'S USA!

Pilgrim's is located in Russellville, AL and our Complex Manager is Jamie Young. The operation began in September 1989 in what is now the Russellville Hatchery. The production facility was built in 1990 and relocated to its current location in the fall of 1997.

Pilgrim's is a leading global provider of high-quality food products, including well-recognized brands and value-added premium products. As one of the world's largest poultry producers and a fully integrated pork producer, Pilgrim's has provided wholesome, quality products to customers and consumers for more than seven decades.

For more than 30 years, the Russellville facility has focused on providing opportunity for its team members and being a strong partner to local growers, while producing

quality boneless chicken products for domestic and international consumers.

Pilgrim's is a leading global food company that provides fresh, frozen, and value-added products and prepared foods. As proud as we are to make high-quality food that millions of people put on their plates every day, it is just as important that we do so in ways that meet the expectations of our stakeholders, customers, consumers, and the communities we call home.

The Russellville facility has a long-standing commitment to environmental stewardship, winning both the U.S. Poultry & Egg Association's Clean Water Award and the Alabama Water Environment Association's "Excellence in Industrial Wastewater Treatment" award multiple times. "In 2020, Pilgrim's Russellville announced a \$580,000 investment for the Russellville community through the company's Hometown Strong initiative."

Pilgrim's Russellville is scheduled to run two shifts five days a week.

If anyone is interested in joining our team, they can reach out Monday – Friday, from 8 a.m. to 5 p.m. by calling 256-332-8900. Applications are available anytime at the plant guard shack.

Being a part of the family meal is a tremendous honor, and we strive for great taste, flavor and satisfaction in every Pilgrim's experience. Pilgrim's has provided wholesome, quality products to customers and consumers for more than seven decades.
