## Awarded Grant to Replace Citizens' Dock

BY **ROGER GITLIN**  
Country Media, Inc.

The Crescent City Harbor District (CCHD) announces an \$8 million award from the U.S Dept. of Transportation Maritime Administration (MARAD) to completely replace Citizens' Dock- a cornerstone of Crescent City's commercial fishing industry and local economy.

The funding, secured through MARAD'S Port Infrastructure Development Program (PIDP) will enable CCHD to replace the deteriorating 1950s-era dock, which is at risk of failure, even while it remains vital for seafood unloading and intermediate transportation. The new Dock will incorporate weather-resistant materials, state-of-the-art hosts, enhanced public viewing platforms and modern equipment designed to support the local fishing fleet and seafood-related businesses. Additionally, the new dock will improve accessibility for large trucks, forklifts and vessels, enhancing supply chain efficiency.

CCHD Harbormaster Mike Rademaker acknowledged the teamwork and collaboration behind the grant. "The grant is a testament to the hard work of our team and the unwavering support of our community and partners. I would like to expend special thanks to our grant writers, Mike Bahr and Aislene Delane, with

Community Solutions," beamed CEO Rademaker.

Congressman Jared Huffman played a pivotal role in securing the funding. Huffman stated, "It's terrific that DOT's Maritime Administration understands the need for important infrastructure improvements in the Crescent City Harbor. These funds will help modernize the port and improve safety, accessibility and resilience in the face of future tsunamis, floods and sea-level rise.

The Citizens' Dock Replacement Project is part of the Harbor's broader transformation into a resilient, economically vibrant port. With a total cost of \$10 million, including \$2 million in State and local matching funds,

the new project builds on existing projects, such as replacement of the Harbor's seawall, through the 2022 MARAD PIDP grant.

Planning on the Citizens' Dock Project begins immediately.

# Newsom Convenes Special Session to Protect California Values

BY **ROGER GITLIN**  
Country Media, Inc.

**What are California's Values?**

Gov. Gavin Newsom plans to discuss those Values when he convenes a Special Session of the Legislature December 2 at the Capitol, to address the Assembly and Senate on protecting California Values. Gov. Newsom underscores these Values are at risk, since the election of Donald J. Trump as the 47th President of the United States.

The Proclamation will focus on bolstering California's legal resources to protect

- Civil Rights
- Reproductive Freedom
- Climate Action
- Immigrants Families in the face of an incoming Trump Administration.

This is the first of several actions promised by the Newsom Administration, in partnership with the Legislature, as the Governor begins... in his words, "shoring up California's defenses against an incoming Federal Administration that has threatened the State on multiple fronts."

Newsom continued, "The freedoms we hold dear in California are under attack- and we won't sit idle. California has faced this challenge before- and we know how to respond. We are prepared and we will do everything necessary to ensure Californians have the support and resources they need to thrive."

The Governor's warning was not necessarily embraced by Del Norte County. President Trump prevailed over vanquished candidate Kamala Harris by nearly a 3-2 margin.

Board of Supervisors Chairman Dean Wilson, speaking independently, stated the following: "Gov. Newsom's special session to resist the results of the election shows a true lack of understanding the election. Almost 45 percent of the (Del Norte) electorate voted for Trump, over 75 percent passed Prop 36 wanting to hold criminals accountable for their crimes, drug offenders to be forced into treatment. The Governor has ruined our California education system which was once the best in our Nation, devolving to 34th (in State Reading and Math scores). The price of housing, rent, food and fuel have made California too expensive for most minimum wage earners."

Wilson continued, "Gov. Newsom's failure to understand the majority of Americans want change and do not want California to waste tax revenue fighting the Trump Administration.

Courtesy photo. Gov. Gavin Newsom

We want the State to focus on lowering our costs, increasing energy development, improving our infrastructure and restoring law and order. Californians (Del Norters) do not want to spend our taxes on illegal immigrants and resisting Federal deportation of criminals. The more the Democrat Party in control fails to recognize the winds of change blowing, Newsom will drive more and more voters towards the Republican Party."

# Opinion & Letters

## OPINION - GUEST COMMENTARY

# Supervisor Starkey pleads disinformation, then can’t back it up

Opinion by Samuel Strait  
Inaccuracies, Madam Supervisor?

It was certainly very clear that our current Del Norte County Board of Supervisors (BOS) just doesn’t get it. In this country representatives are meant to faithfully represent their constituents’ best interests and submerge their personal agendas in favor of the welfare of those they serve: The safety and security of the citizens of Del Norte County. Total failure so far.

Not surprised!

At the BOS last meeting, that sacred promise made by all elected to office was cast aside in overgenerous, preferential treatment of the County’s unelected. The BOS can’t seem to give Sheriff deputies a reasonable few dollars raise per hour which will allow the deputies to stay employed by the Sheriff Dept.yet the Board is perfectly comfortable giving the County’s highly paid unelected Department heads, confidential staff, Deputy Branch Directors, and assorted other elites a 5% raise which amounts to thousands of extra dollars in their pay checks.

Still not surprised.

This is what this BOS is all about. The BOS gave (4-0) the already well compensated county counsel a promotion and raise, committed thousands of dollars to create a new department of economic development, bought a new vehicle for the County’s IT department, spent nearly four hundred thousand dollars paving parking lots, hired a high dollar building inspector, a planner, and a grant

writer, but can’t commit to paying the sheriff’s patrol deputies a wage that would allow them to work and live in Del Norte County past when they will be seeking a higher paying jurisdiction.

Leading the government complaint section, Supervisor “Big Government spender” Valerie Starkey, “Inaccuracies” exclaimed the ramped-up supervisor. When pointedly asked to explain herself, the silence was deafening. We have given the sheriff’s deputies a 44% raise over the past few years snarked Supervisor “Traveling Man” Chris Howard. I suspect that mathematics is not Supervisor Howard’s strong suit. A 44% raise over the past few years barely keeps up with inflation. It would also mean deputies were being paid previously a couple of dollars more per hour than the local burger flipper at Burger King.

Real Special!

I can’t comment on the whining of Supervisor’s “inaccuracies” comment because her explanations, if she has any, are hidden behind Close Door Session where the public is denied access or comment for that matter. Perhaps she would like to take up her concerns with the State of California, the Sheriff’s association or the half dozen or more news reports and other watch dogs’ releases, where the information exposing the BOS’s failures can be found.

Suffice it is to say, both Supervisor Howard, and Supervisor Starkey have a lot of explaining to do. The whole BOS, for that matter doesn’t appear to understand

what its role is as the County’s representatives. The BOS is not meant to hold our hand all through life. The BOS is meant to provide only the most basic services beyond the supervisors primary duty for the safety and security of its citizens.

We are constantly being referred to as a “poor County”, yet this Board spends money like there is no end to it. The Board and particularly Supervisor Starkey, appear clueless as to what is important and what is not. Supervisor Starkey seems unable to free herself from thirty years shackled to government in order to fully comprehend that her agenda is not rural Del Norte County’s agenda. Our needs have to be much more modest.

Whatever Supervisor Starkey meant by “misinformation” or inaccuracies during the recent BOS meeting has not aged well. To cast aspersion on members of the Public without explaining herself is not a quality of leadership.

I heard somewhere that to pick a fight with someone who buys ink by the barrel is not the wisest thing to do. Perhaps the Supervisor should either learn that lesson or become a much better and quieter leader in this community. So far all we have seen is her agenda, and not that of a supervisor representing 5,000 of her District’s citizens in a poor rural County of 26,000. So, get a grip Supervisor Starkey or be better able to explain yourself, if you can.

## LETTERS TO THE EDITOR

### MERRY DAYS

Festive foods, drinks and a myriad of holiday events come now. For example, the annual Christmas Light Parade in downtown Crescent City on December 6 at 6:30 PM.

“Cheers” to holidays means planning ahead if drinking. A responsible driver can get folded like a pretzel after hit by a drunken one. A drunken driver hit me in 1992 when I was 16. Years of medical care and therapy in San Jose, San Ramon,

Stockton and Tracy followed. I have problems hearing, talking and walking. After 30+ years, I have adapted to this depressing change. Taking SR 197 to go to and from a holiday party? Do not let your night of drinking turn into a nightmare: don’t drive

drunk. Before celebrating, make sure you have a sober driver to take you home. If tapped to be the designated driver, do not drink alcohol. Take that role seriously.  
*Happy Holidays.*

The dam removal project seems like the right answer for most, and now she’s done, but wait... now we’re about to see 1 foot of rain all over N.Ca. So, what has happened in the past when half of this much rain dumped in such a short period of time? It might be a good time to look back in history, as this is fast approaching.

Heaven needed another Angel - Marilyn Sue Plaisted McLaughlin went to be with her Savior in Glory on November 8, 2024. She was born in Garberville and moved to Del Norte County when she was an infant. She was very proud of her three daughters; Barbara, Deanna, and Shannon and her five grandchildren; Amber, Jenna, Nathan, Morgan and Colton. She was a homemaker, while raising her daughters, and supplemented the family income as an Amway, Avon and Tupperware representative. There

was no time for idleness in her daily life. She created not only beautiful, but delicious cakes for weddings and other special occasions. She taught cake decorating to youth in the local 4-H Club as well as adult classes for the Wilton Company at the local Coast to Coast Hardware store. She was involved in numerous community activities, serving as the President of The Emblem Club, one of the founding board members of the St. George Reef Lighthouse Preservation Society, lifelong member of the Ft. Dick Grange and member of Four-Square Church, faithfully attending the ladies Bible study group (The Lioness’ Rising). When she had finished raising her daughters, she went to work for the Del

Norte County Senior Center. After a number of years working there, she transitioned to Seaside Hospital, which later became Sutter Coast Hospital. She retired in April of 2016, after 25 years of employment. Marilyn enjoyed cultivating beautiful flowers in her yard, oil painting, toll painting, cooking, baking, and crafting. She provided a loving home for many rescued animals throughout the years. Marilyn will be dearly missed by her family and those who loved her. In keeping with the theme of her bible study ladies, like “The Lioness” Marilyn has risen to Heaven to join the Saints in Glory. Services were held at the Foursquare Gospel Church on Saturday, November 23, 2024.

Two very talented artists In-Residence were introduced to Crescent City at the Cultural Center, Wednesday night.

The Redwood Parks Conservancy introduced Janine Mapurunga, a documentary photographer from Sacramento and Maureen McGarry, a watercolor artist from Arcata.

Mapurunga’s specialty is the camera. “I look for moments that are unmistakably human, these universal emotions we can all relate to. I’m interested in that which is easily felt but very difficult to portray, the aliveness and human spirit,” says Mapurunga.

McGarry is a watercolor specialist extraordinaire inspired by the natural world. McGarry hopes to use her superb talents to add a certain depth and perspective to her art.

Both will spend several weeks in Parks-provided housing within the National and State Parks to pursue their particular art form, surrounded by the awe-inspiring landscape of the Park.

The National Park Service, California State Parks and Redwood Parks Conservancy have collaborated to sponsor the Artist-In-Residence program.

During the residency, the artist will be given ample time and opportunities to find inspiration throughout the Park.

As part of the program, the artist will be expected to provide at least one public presentation. Besides housing, a stipend of up to \$5000 is provided.

Barricades between 7th and 8th Streets remain but the opening of the iconic road is soon coming.

City Manager Eric Wier hopes to have Pebble Beach Drive open by the end of February 2025, weather conditions allowing. If plans proceed as anticipated, Pebble Beach Drive will have been closed about one year. The slide originally covered a width of about 75 feet and plummeted 30 feet underneath Pebble Beach Drive.

The cliff suffered major compromise in 2016, following a tumultuous December storm.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (844) 477-7869 or visit this Internet Web site www.STOXPOSTING.com, using the file number assigned to this case 24-31206. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. For sales conducted after January 1, 2021: NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (844) 477-7869, or visit this internet website www.STOXPOSTING.com, using the file number assigned to this case 24-31206 to find the date on which the trustee's sale was held, the amount of the last</div></div></div>	<div><div>999Public Notices</div><div><div>and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. CRESCENT CITY, Calif. – Tickets for Del Norte High School Music Program’s annual Madrigal Dinner are on sale now at Del Norte Office Supply in Crescent City, Calif. This year’s Madrigal Dinner will be held one evening only, on Saturday, Dec. 7, 2024, at the Veterans Memorial Hall in Crescent City. Doors will open at 5:30 p.m. and performances begin at 6 p.m.

Tickets are \$30 per person and must be purchased in advance.

Tickets may be purchased with cash or check only, with checks made out to: DNHS Music Boosters. A grand tradition and magical

way to herald the holiday season, the DNHS music program’s annual Madrigal Dinner transports audiences back to a royal court of the Renaissance Era with music, costuming, mischief, and romance. The evening is a re-creation of Renaissance feasts held in grand halls throughout England during the days leading up to Christmas. Audience members are encouraged to dress in Renaissance costume, although not required. Choral

music and poetry and theatrical and comedic performances will be presented by a royal court of lords and ladies, minstrels, court jesters, and perhaps a few bawdy rascals and wenches. Audience engagement and participation add to the fun!

The madrigal performance is directed by Collin Kirkwood, DNHS Choir Director, and showcases the impressive gifts of Del Norte High School’s music program students. Community

members can take pride in a county-wide music education program that continues to grow and flourish, nurturing and developing the talents and dreams of the area’s diverse youth. Music education opens gateways to college and a life-long joy in music participation. Support our youth and purchase your tickets this week for a royal feast of food and Renaissance gaiety.

# Council Discusses Cultural Center Entry Plaza

BY **ROGER GITLIN**  
Country Media, Inc.

The City Council discussed concept changes for the Crescent City Cultural Gateway and Beautification Project.

Discussion focused on the Cultural Center Entry Plaza design.

Clean California, part of Cal Trans awarded a \$2.988 million grant for the Crescent City Beautification Project. The Project establishes a gateway expanding Beach Front

Park beyond the S Curve at 101 to Front and N St. The Grant also provides funding for cleaning the banks of Elk Creek, improving access to the planned Discovery Center, Veterans Monument and establishing a starting point for the Tolowa Interpretive Walk.

Greenworks PC is the lead consultant on the project.

Last month, Councilors provided initial feedback and directed staff to perform additional outreach regarding design of the Gateway Monu-

ments. A City Survey on community input has just been completed. The results of the Survey will be shared at the December 2nd Council Meeting .

The City is up against the clock. Clean California mandates all permits to Cal Trans and Coastal Development must be completed by February 2025 and the vast majority of the work can be completed during the good weather months, next year. All funds must be expended by June 30, 2026.

### Hard to Reach Places Impact Neighborhoods

BY **ROGER GITLIN**  
Country Media, Inc.

Vandals continue to inflict gang scrawl in the City. This long-standing vandalism was caught by intrepid photo journalist Mike Cuthbertson AKA “Gasquet Mike,” When he was operating his drone atop the Frontier Communications building on H St. Vandals apparently scaled the roof and defaced a large section which was out of sight to most observers - but not Mike.

Gasquet Mike contacted The Triuplicate, jpeg in hand. Nice work, Gasquet Mike.

The graffiti has been duly noted and the City has been contacted and will contact Frontier management to expediently remove the scrawl.
