Following the recent Board of Supervisors August 26th meeting involving airport cash flow issues, the Border Coast Regional Airport Authority (BCRAA) held its once-a-month meeting at the Flynn Center, Sept. 4.

The BCRAA meeting convened six of the eight partners, with Supervisor Darrin Short arriving 40 minutes after the 2PM start. The Authority reported Sean Rosenthal as the new Airport Director.

The Authority then received a financial status report regarding the possible need for future bridge loans based on at least three projects and reimbursement.

Commissioners then voted unanimously to approve Agreement with Del Norte County for a line of credit to be extended by County to BCRAA to ease the cash flow crisis. The Federal Aviation Ad-

ministration (FAA) has changed its grant rules by requiring grantees complete its work before 95 percent of reimbursement can occur.

### This dynamic is currently in play for three projects:

- Runway 18-36 paving (95 percent); \$7-8 million
- Perimeter fencing circumnavigating the airport: \$900,000.
- ARRF water truck: \$385,000 plus \$100,000 in added amenities.

The Authority was unable to draw down to pay a Tidewater invoice as Controller / Auditor was in process of setting up the Line of Credit.

The Authority also tabled a Consideration and Approval of Corporation Resolution to Borrow pending the approval and established protocol heretofore referred to in the Corporate Resolution to Borrow. Commissioners then opened up a discussion on communications, both in Open Session and with the public.

After a member of the public cited the short runway of 5,000 ft and restricting what type of aircraft may access the short air strip, Commissioner Howard brought

## Del Norte TriPLICATE to cease publication Sept. 17

### STAFF

The Wednesday, Sept. 17, issue of the weekly Del Norte TriPLICATE will be the newspaper's final edition.

In 2019, Country Media, Inc. purchased the Del Norte TriPLICATE out of bankruptcy. It was a purchase that included the weekly Curry Coastal Pilot in Brookings, OR.

"When we decided to purchase these two publications out of bankruptcy six years ago, we were looking to add to our family of papers along the Pacific Coast," said Country Media's chief executive, Joe Warren. "We knew going in there would have to be changes to enable us to maintain sustainability of these failing businesses."

In addition to The TriPLICATE, Country Media owns nine Oregon newspapers, most of them along the Pacific coastline. The Salem, OR-based company will continue to publish the Brookings Curry Coastal Pilot, said Warren.

He added that subscribers to the Del Norte TriPLICATE will be receiving a refund for any prepaid subscriptions that exceed \$10.

## City Poised to Embrace New Vision

Crescent City hosted a Vision Workshop last week with the intent to implement a new vision plan for downtown Crescent City.

Don Arambula, co-principal of Crandall Arambula, conducted two meets at the Cultural Center, two weeks back, to address 100 plus members of the community to establish steering committees to render the best and not-so-best amenities of the City, and more specifically the 20 plus blocks of downtown Crescent City.

The steering committees will meet over the next six to eight weeks with Crandall Arambula. Before sharing their opinions.

This effort supplants the Redwoods to the Sea concept to focus on reinventing downtown Crescent City.

Glen's Bakery, the iconic bakery / breakfast restaurant on Third St. in Crescent City has

been dark since 2009. After a number of community efforts to bring back the popular downtown bakery, it appears this latest effort by Kevin Findlay, Operations Manager of the Hiou-

chi Café is heading for success. Findlay has acquired the Glen's property and after investing \$200,000 in new kitchen equipment, booths, tables and new fixtures in the Project, the Sun will rise

again with the Rising Tide Bakery and Restaurant.

Cody Magana will be Rising Tide's chief chef.

Customer hours will be from 7AM-2PM. The plan is to open

for dinner after the Grand Opening, planned for late December to mid-January.

**Congratulations Kevin and staff. Best of Luck!**

## GUEST COMMENTARY - *Opinion by Samuel Strait*

# Crescent City’s Airport Runway is too Short, Needs New Chairman to Lengthen its Future

In a recent Border Coast Airport Authority (BCRAA) meeting when I say it’s like talking to a “Wall”, what I meant to say is the current chairman of the BCRAA, former Supervisor David Finigan, is the “Wall”. He’s called “most experienced” member of the Joint Powers Authority (JPA), but experience doesn’t always equate to competence or doing what’s best for the BCRAA.

Learning from a recent “Word Salad” prepared by none other than one of our local geniuses, Supervisor Chris Howard, the Crescent City Airport needs the County’s help. It was no surprise when the “help” turned into a plea for more MONEY! Another government run disaster in Del Norte County has slithered to the surface.

While I am not saying the County’s airport should be shuttered, a change of the ruling monarch of the BCRAA is imperative. Under Finigan’s watch our regional carrier with service to San Francisco/ Sacramento was lost. Three now four replacement commercial carriers have come, three gone, and the fourth unlikely to be any more successful.

A \$20 million dollar terminal built,

six years in service, now falling apart. Mounting legal costs in an attempt to correct the uncorrectable. Escalating repair and maintenance costs and the borrowed match from the County to see the terminal built still waiting repayment. And yet, another unnecessary Finigan “White Elephant” to plague local taxpayers. Unfortunately, now Curry County, The Tribes, and the City of Brookings have been dragged into Finigan’s most recent mess.

The BCRAA, looking into a bleak future of several additional Federal Aviation Administration mandates, is unquestionably on the hook for millions of dollars of infrastructure repair with the ubiquitous 5% match. Do I see yet more pleading for money from Del Norte County in the near future by the BCRAA? No question about it! Thank you very much Mr. Finigan.

The original intent was for Del Norte County, owner of the airport, to establish a JPA to include several nearby jurisdictions for the purpose of operating the airport. At the time it was hoped the airport would be self-sustaining and provide valuable economic activity for the region. Initially, the BCRAA had inherited a reasonably successful business model

centered around commercial air traffic to the public’s preferred destinations of San Francisco/ Sacramento. Changes forced by economics in the commercial aviation industry compelling it to become profitable would change that dynamic. Unfortunately, the 2015 version of the BCRAA was not equipped to change with the commercial aircraft industry. It was all downhill from there.

Finigan’s White Elephant was the result. The regional carrier, Sky West, gone, 50 to 70 percent of the area’s annual air passengers moved to nearby airports and with it a significant portion of the BCRAA’s revenue. A decade later, the decision to build a new terminal has visited upon the BCRAA a cash flow problem with the inability to timely pay its bills, several mandated FAA projects with a 5% match, and insufficient funds to maintain normal operational activities.

Looking into a future without significant change, the outlook is grim. Current BCRAA board members seem paralyzed by the daunting prospect of finding some sort of rescue. Chair Finigan still has plenty of experience, just no answers, but to be an impediment to a future success of

the airport.

Tip of the hat to Del Norte County member of the BCRAA, Chris Howard, in recognizing a request by the public to lengthen the airports runways may provide a solution to the airport’s struggling financial weakness. No such recognition by the “experienced” Finigan in the chairman’s seat.

There are three actions to be taken by this current BCRAA if the airport is to survive: The first is to remove Chairman Finigan from the BCRAA board and replace. The second is to seek funding to lengthen both runways to accommodate larger commercial aircraft. The third is to attract a regional carrier with code share at San Francisco (SFO) or Los Angeles (LAX) to replace Advanced Air.

A heavy lift to be sure, but necessary to ensure Del Norte County has continued air service and does not become another of the County’s “poor orphans” destined to live on the backs of the taxpayer. The public had spoken loud and clear, Oakland and Hawthorne are not acceptable destinations. Time for some clear thinking, not impediment producing experience.

# Be Content

These are two words that we don’t often hear today. In fact, it seems that in our society, we have been conditioned that we always need to be looking for the next thing.

Let’s consider our phones for example.

By now most people realize that our phones are constantly listening to us.

Haven’t you ever wondered how after speaking to a friend about inflatable paddle boards, that moments later you see advertisements for inflatable paddle boards on your Facebook feed?

Even your most private and intimate conversations with your spouse are quietly being listened to by your phone. Kinda scary.

Every night at around midnight, our phones do an information “dump” and upload all the key words and searches that were spoken and typed that day.

Where does all of this information go?

To information brokers that sell that information to corporations and advertisers.

We then get bombarded with advertisements and emails trying to entice us to buy more stuff.

These entities are constantly telling us that we need “more.”

But do we?

Speaking of phones, social media can play a role in this as well.

I’m certainly not against social media. It allows

people to have access into each other’s lives and keep in contact with old friends, etc.

However, one must admit that sometimes while scrolling on Facebook and seeing all of the activities and places that our friends are involved in and visiting, there is something deep within us that says, “why can’t I have that car?” Or, “why am I not vacationing there?” Or, “why are they having so much fun and all I do is work?”

So what does the word “content” mean?

Definition: in a state of peaceful happiness and satisfaction.

The apostle Paul wrote, “...for I have learned, whatever state I am to be

content.”(Philippians 4:11)

He further stated that he knew how to be abased and how to abound.

Paul was saying that whether he was in a state of need or a state of plenty he would be content with his present situation.

This does not negate a desire to improve one’s life, but rather, learning to find satisfaction in the present.

This means that we do not need to rely on external factors to bring us happiness, but instead be settled and practice an attitude of thankfulness for what we have.

If I’m being honest, I will say that I have not mastered the learned skill of always being content in my present situation. I

too can fall into the trap of wanting more. But I must remind myself, every day, of the blessings I have and to be content with where I am in life.

Does this mean that my hopes and dreams mean nothing? Of course not. We should strive to improve ourselves and attain new heights for our lives while also being at peace with the present. This is a life long endeavor.

Ask yourself this question, “Could my life be worse than it is?”

I think we would all answer “Yes” to that question. We all know people who have much less than we do and are suffering through situations that we could not imagine.

See, it’s much easier for

us to focus on the negative things in life rather than the positive.

It might interest you to know that the apostle Paul wrote about being content in the present while chained to a wall in a Roman prison. If there were ever a person who would be justified in writing a depressing and discouraging letter, it would be Paul. Instead, he does the opposite. Talk about perspective.

As I stated earlier, this is a life long endeavor to change our perspective from focusing on the things we want, to focusing on the most important things that we already have.

May God continue to richly bless you.

## EDITOR’S CORNER

It is a sad announcement to make, the Del Norte Triuplicate has published its last paper. Since 1879, under different monikers, our community newspaper has been laid to rest.

For many years, print media has been in decline. It’s the sign of the times until The Triuplicate became the victim, abandoned by a dwindling dearth of advertisers and a subscriber list slowly disappearing.

I was very proud of the paper’s content. Simply stated, we covered the news of Crescent City and Del Norte County. Sometimes controversial, mostly bright and joyful, this was the news and our team covered the news to the best of our ability.

I want to thank and acknowledge a few folks who helped me do my job as Editor for the past almost four years.

The ownership team: Steve and Carol Hungerford. Thank you for the opportunity to make The Tripli-

cate a relevant media outlet. I will miss you.

Director of Publications Joe Warren who over sees Country Media Warren publications

Kimberly Hagner in Coos Bay. Kim superbly put pieces of the puzzle together, like a painting. Thank you.

Shawn and Chuck in our office. I will miss working with you. Thank you.

And lastly, but at the top of my list, my beautiful wife, Angela. You have certainly endured the challenges of me writing and editing The Triuplicate. I love you.

You have not heard the last of yours truly. I have some plans to announce shortly that will please most of you readers and vex some others. I have a long broadcast news background. I do not know what the word “retired” means. Final parting words from The Triuplicate, “Do what you love,” and I live and love writing.

Jews Celebrate Rosh Hashanah and Yom Kippur

by ROGER GITLIN  
Country Media, Inc.

15 million Jews around the world will celebrate two very important dates, over the next two weeks.

Tuesday evening, September 23 is Rosh Hashanah, the Jewish New Year. Rosh Hashanah celebrates the beginning of Judaism in the year

5786. Ten days later, Jews will recognize Yom Kippur, the day of Atonement October 1.

Rosh Hashanah and Yom Kippur are recognized over a ten day period. The appropriate way to recognize Rosh Hashanah is “La Shah Tovah” Hebrew for Happy New Year.

Yom Kippur ends the ten day recognition of the High Holy Days

and is considered the holiest day of the Jewish year. Yom Kippur is a day of fasting and atonement for sins committed.

Locally, The Jewish community will celebrate with traditional Jewish delicacies at St. Timothy Episcopal Church in Brookings.

PUBLIC NOTICE OF MITIGATED NEGATIVE DECLARATION

As required by the California Environmental Quality Act, the California Department of Fish and Wildlife's Fisheries Restoration Grant Program is providing Public Notice of the completion of a Mitigated Negative Declaration for its proposed project to enhance the capability of streams to produce anadromous salmonids by maintaining, restoring, and improving stream habitat essential to salmonid production.

Implementation Project Locations: Various streams in Del Norte, Humboldt, Marin, Mendocino, Monterey, San Luis Obispo, Siskiyou, and Sonoma County.

Description of Project: This project will use grant funds approved by the California Legislature to initiate activities that are designed to restore salmon and steelhead habitat in coastal streams and watersheds that historically produced large populations of salmon and steelhead. The replacement of barrier culverts with bridges or natural stream bottom culverts will allow adult and juvenile salmonids access to additional spawning and rearing habitat. The installation of instream structures will recruit and sort spawning gravel for adult salmon and steelhead and create summer rearing pools and over-wintering habitat for juveniles.

The Mitigated Negative Declaration can be accessed online at <https://www.wildlife.ca.gov/Grants/FRGP/MND>. It is also available for review upon request at California Department of Fish and Wildlife offices: 1010 Riverside Drive, West Sacramento, CA 95691; the Northern Regional office: 1455 Sandy Prairie Ct, Suite J, Fortuna, CA 95540; the Bay Delta Regional office: 3633 Westwind Blvd., Santa Rosa, CA 95403; the Central Regional office: 20 Lower Ragsdale Dr., Suite 100, Monterey, CA 93940; and

The undersigned or its predecessor caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (855) 313-3319 or visit this Internet website [www.clear-reconcorp.com](http://www.clear-reconcorp.com), using the file number assigned to this case 117199-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: Effective January 1, 2021, you may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call (855) 313-3319, or visit this internet website [www.clear-reconcorp.com](http://www.clear-reconcorp.com), using the file number assigned to this case 117199-CA to find the date on which the trustee's

sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. Households who may qualify for free or reduced-price meals based on income must include:

- Names of all household members (children and adults)
- Amount, frequency, and source of current income for each household member
- The last 4 digits of the Social Security number (SSN) of the adult household member who signs the application or check the box if the adult does not have a SSN
- Signature of an adult household member

Foster children are eligible for free meals and may be included as a household member of a foster family if the foster family chooses to also apply for the non-foster children. Including foster children as a household member may help the non-foster children in the household qualify for free or reduced-price meal benefits. If the foster family is not eligible for meal benefits, this does not prevent foster children from receiving free meal benefits. Children in households participating in Women, Infants and Children (WIC) may be eligible for free or reduced-price meals. Contact school officials for further information or complete an application for processing. Under the provisions of Bonita Unified Food Services Free and Reduced-Price Meal Policy Statement, the designated determining official(s) will review meal Applications and determine eligibility. Parents or guardians dissatisfied with the eligibility determination may discuss the decision with the determining official on an informal basis. Parents or guardians may also make a formal request for an appeal hearing of the decision and may do so orally or in writing with Ann Sparks, Assistant Superintendent Business Services. Contact the hearing official at (909)971-8200 ext 5200 for information regarding the hearing procedures. If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for free or reduced-price meals if the household income falls at or below the levels shown above.

For up to 30 operating days into the new school year, eligibility from the previous school year will continue within the same school/agency. When the carry-over period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, the children must pay full price for school meals and the school will not send a reminder or a notice of expired eligibility.

Nondiscrimination Statement

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the agency (state or local) where they applied for benefits.

Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (AD-3027), found online at [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html) and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call 866-632-9992. Submit your completed form or letter to USDA by:

to the attention of the public with an instruction to Director Rosenthal to investigate the feasibility of extending the runway an additional 500 feet, allowing larger capacity equipment to land and takeoff at CEC.

The same public member also brought attention the current carrier, Advanced Air does not fly to destinations most preferred by local Del Norte fliers. Hawthorne and Oakland are not preferred stops, compared to LAX and SFO.

Advanced Air flies a 30 passenger Dornier 328 jet which this past summer has operated at about 65 percent capacity.

Commissioner Dale Miller of the Elk Valley Rancheria agreed with the speaker about the limited menu of flights departing CEC which prompted

another exchange when the public speaker shared his frustration he felt he was talking to wall with the implication commissioners did not heed public comments. The speaker reminded commissioners, flights are designated to non-hub airports like Hawthorne and Oakland. Current BCRAA chairman David Finigan, the at-large appointee to the Authority, engaged the speaker in what some might feel as a hostile manner when Finigan spoke to him, " I know your position on airport operations. I'll never

allow this airport to close."

Airport Director Rosenthal announced there were 239 enplanements for the month of August. 2025.

The amount of enplanements projects to between eight and nine thousand enplanements, annually. The Director admitted the modest enplanements total does not cover airport operations costs.

The Border Coast Regional Airport Authority Meets the first Thursday of each month at 2PM at the Flynn Center. The next meeting is Thursday, October 2.

Trumbull County eatery reopens with fresh start under new owner, chef and name

Hailey Branson-Potts, Los Angeles Times

The new owners of a newly-renovated Trumbull County restaurant are ready to unveil changes they’ve made to the restaurant and some menu items while also preserving the welcoming atmosphere appreciated by longtime patrons. Wenona and Dan Herrmann took over ownership of The Local Tap & Grill at 2242 Greenville Road in Mecca, formerly known as The Yellow Dog Saloon and Grill. The Herrmann’s vision for the restaurant near Mosquito Lake is a local dining destination that offers both a family-friendly environment during the day and a vibrant nightlife scene known as The Local After

Dark. They’ve repainted the walls, refurbished beloved tiled floors and brought a new chef on board named Jamie Manning who’s serving hearty comfort food, steak dinners, burgers and wraps, with a signature sauce paying homage to Mosquito Lake. On Sept. 9 at 11 a.m., the new owners are inviting the community for a first look at the new interior during a grand opening ribbon-cutting ceremony with the Youngstown/Warren Regional Chamber.

CHP Ernest Ray Felio, End of Watch, September 7, 1980

By ROGER GITLIN  
Country Media, Inc.

There’s nothing routine in law enforcement: certainly not a routine traffic stop.

45 years ago, CHP Officer Felio made such a routine stop in Smith River, September 7, 1980. It was the last stop Officer 49 year old Felio would ever make.

A witness testified he heard a brief between Officer and the suspect before he heard gunshots. The suspect shot the 18 year veteran officer twice before taking his service revolver.

The suspect was later apprehended and sentenced to death. He committed suicide by hanging himself in his jail cell.

He is survived by his wife, four daughters and three grandchildren.

Let’s take a moment to remember CHP Officer Ernest R. Felio5, and his

Former Ceo Of Tribal Telecom Subsidiary Pleads Guilty To Embezzling Over \$500,000 From Yurok Tribe

SAN FRANCISCO – Jessica Engle pleaded guilty in federal court yesterday afternoon to embezzling more than \$500,000 from the Yurok Tribe.

Engle, 42, of Gold Hill, Oregon, was indicted by a federal grand jury on Sept. 25, 2024, on charges of embezzling approximately \$579,574 from an Indian tribal organization and theft from programs receiving federal funds. She pleaded guilty to both counts in the indictment. In

connection with pleading guilty, Engle admitted that she embezzled funds from the Yurok Tribe while she served as the Chief Executive Officer of the Yurok Telecommunications Corporation, a wholly owned subsidiary of the Yurok Tribe, and converted the funds to her own use.

United States Attorney Craig H. Misakian and FBI Special Agent in Charge Sanjay Virmani made the announcement. Engle’s sentencing hearing is scheduled for Jan. 14, 2026, before Senior U.S. District Court Judge Maxine M. Chesney. Engle faces a maximum statutory penalty of 10 years in prison and a \$250,000 fine for the count of theft from programs receiving federal funds in violation of 18 U.S.C. § 666 and five years in prison and a \$250,000 fine for the count of embezzlement from an Indian tribal organization in violation of 18 U.S.C. § 1163. Any sentence will be imposed by the court

after consideration of the U.S. Sentencing Guidelines and the federal statute governing the imposition of a sentence, 18 U.S.C. § 3553.

Assistant U.S. Attorneys Colin Sampson and Sophia Cooper are prosecuting the case with the assistance of Laurie Worthen. The prosecution is the result of an investigation by the FBI. The U.S. Attorney’s Office and the FBI appreciate the assistance of the Yurok Tribal Police.
