## K9 Juno Struck and Injured

by Hit and Run Driver...  
**NEEDS SURGERY**

by **ROGER GITLIN**  
Country Media, Inc.

Last Thursday was a very dark day in Crescent City. K9 in training, 1 ½ year old Juno was struck by a hit and run driver on west Washington Blvd, near the fire station.

16 year old Police Explorer Jenna Phillips, a Junior at Del Norte High and Juno's handler arrived to see her precious Juno curled up on the curb, seriously injured. Jenna, with the help of her Dad, gently picked up Juno and rushed her home. An expeditious trip to Town and Country Vet in Harbor revealed she suffered a broken leg and fractured pelvis. Town and Country administered First Aid, an action which saved Juno's life.

The encouraging news is it looks like Juno is going to make a full recovery but funds are desperately needed. Those wishing to contribute may log on to Go Fund Me,

## OPINION - GUEST COMMENTARY

### Tis the Season...

OPINION BY SAMUEL STRAIT

I recently paid the first half of my property tax bill. When I first scratched enough money together to become the proud owner of a small piece of property in Del Norte County, I genuinely thought I was on my way to putting down roots for life. While I have managed to stay put for fifty years, paying my property taxes in the season meant for giving to others has become a bit of an oxymoron.

Perhaps it is about time where the spirit for giving extends from our local governments to those who pay the bills. You have to ask yourself, “What exactly, are we getting from our local taxing authorities which costs north of a quarter billion dollars?” What! You say, a quarter billion dollars?”

On October 1, the County, the City, the school district, the Harbor, and all other taxing authorities finalized cumulative

budgets which exceeded \$250 million. While property taxes represent only part of the overall fleecing of local pockets, one has to ask the question, “What are we, the local “Walmart” shoppers getting for our money?”

In the spirit of the season, we would like to know, as we pony up the first half of our property taxes, feeling a bit uncertain as to the value of services being offered.

Most of us who pay the bills expect a level of benefit from our tax dollars which has been revealed as lacking in any measurable way to those who dutifully pay our taxes each and every year. So much for “Tis the Season...”

The Covid years exposed the dreadful state of our public schools when it comes to educating our youth. At the same time, the poor response revealed a public health lapse costing the local economy dearly. This was followed by the train wreck of

fiscal mismanagement at The Harbor and the City’s complete disregard for the poor roads and streets in favor of pursuing the fantasy of a “destination” resort on Front Street.

What have I left out? Del Norte County! Yes, the largest offender of the bunch. Tri- Agency, Strategic planning, and “economic development” leading the charge. Public safety, crime, a mere afterthought to the County’s biggest grifters, the wine and cocktail crowd of high dollar County bureaucrats.

Are you angry yet?

Being it is the season, it should be an imperative that things will change before the next “Season” is upon us. If I may be so bold as to suggest some “New Year’s” resolutions for members of the Board of Supervisors, our largest tax gouger. Supervisor Valerie Starkey should refrain from looking to tax payers’ wallets to pay for her version of government “solu-

tions.” Supervisor Darrin Short: an empty suit. His contributions as a member of the Board of Supervisors is bereft. Short should probably just resign. Supervisor Joey Borges checking out is not an option, get back to the business of governing. Supervisor Chris Howard needs to go back to “genius” school and “Walk the Walk,” ... not just talk about it. Produce some real solutions instead of your incessant “talking.”

Finally, Chairman of the Board Dean Wilson, it’s the people who pay the bills who need the benefits, not the government. If only New Year’s resolutions were that easy to fulfill.

My only resolution for this year is for those of us who pay the bills, something will finally come our way. In the meantime, remember “...tis the season” season and I hope everyone has a great Holiday, and a Merry Christmas and Happy New Year.

## OPINION - GUEST COMMENTARY

### Short Staffing hurts Del Norte

Del Norte County is a small community. That means we have to do everything in our power to make sure we maximize our resources, especially when it comes to taking care of our families.

For the last 8 years, I’ve worked for the Women, Infants & Children (WIC) Program here in Del Norte County. While the work can often be intense — imagine, caring for moms in crisis and for children who desperately need food

— I love my job. Every day I get to care for our community’s families. It’s precisely because I love my job that Del Norte’s unnecessary shortstaffing crisis is so infuriating.

Del Norte’s WIC program should have a staff of 6. Instead, we have 2. That means we will have to reduce the number of clients we see from around 1000 to 700, based on our staffing levels. That’s around 300 individuals we will not be able to service.

This reduction, while harmful to our community, doesn’t even make fiscal sense. Because our program is funded from the state, we are effectively choosing to send around \$200,000 of public funding back to the state — money that has already been allocated to us and that would otherwise be supporting our local community.

Del Norte’s staffing crisis is pervasive. Many county departments have vacancy rates of 30%

with some over 50%. This means we can’t keep our roads maintained the way we should; we can’t get important benefits to residents in a timely way; and we can’t protect our most vulnerable youth and seniors. When we have more staff, we are bringing more money into the county while also being able to provide the necessary services our county needs.

Why are vacancies and staff turnover so high? Frankly, the county just

isn’t competitive. The county offers less to start than the fast food industry and requires degrees and certifications for work that can be stressful and challenging.

Can the county afford to address its short-staffing crisis? Yes. The county should take the same approach that it approved for the sheriff’s office — freezing or eliminating a certain number of vacant positions to free up funding. This approach will

help attract more qualified candidates for the remaining vacant positions and help us retain our experienced staff.

Del Norte deserves a responsive and effective county government. Its administration and its Board of Supervisors must take this commonsense approach to addressing its fiduciary and moral responsibilities. Del Norte’s families can’t wait.

## OBITUARY

### Nancy Lee Baillie (O’Neil)

February 11, 1936 - December 11, 2024

Nancy Lee Baillie (O’Neil) passed away December 11, 2024, in Oroville, CA.

She was born February 11, 1936, in Joplin, Missouri. Her mother Evalyn died when Nancy was very

young, and she had fond memories of being cared for by her beloved Grandpa and Grandma Tamblin. Her grandfather’s birthday was the 10th of February, the day before hers. He was a prominent businessman in Joplin. She acquired her sweet tooth by being given candy and pastries by him every day. Her father Charles left for a while to try to make it in Hollywood and was a chauffeur to stars like Betty Grable. When her father returned to Missouri he remarried. She spent her remaining childhood taking care of her half-sister Patti and, after her grandparents passed, the family moved from

Missouri to the Southern California coast where she loved spending her days at the beach or going to the movies as often as she could. She worked as a theatre ticket girl and was delighted to meet Johnny Weissmuller when he was there to watch one of his own Tarzan movies. She was working at a restaurant when she met Alvin Baillie, a marine, at a bus stop in San Diego and they married soon after.

Nancy became a homemaker and mother. They lived in North Carolina and Colorado before settling in Fremont, CA where their family of three girls Kathie, Karen and Sharon grew up. They lost their

eldest daughter Kathie and her unborn son to a car accident in the early 1970’s.

Alvin and Nancy retired to Crescent City, CA in the 1990’s where they built their dream home and just when it was finished, Alvin passed away. Her grandson Tim lived with her after her husband died to help her through those tough early years alone. Nancy spent her remaining years there, up the street from her youngest daughter Sharon and her family.

Her granddaughter Jenette, born on February 10th like Nancy’s beloved grandfather Tamblin, shared many happy birthdays with her and always had a special bond, as did her other

grandchildren Tim, Brett, Jessica and Micheal. Her daughter Sharon passed away in 2015 and daughter Karen also proceeded her in death in 2024. In her last years she was lovingly cared for by her daughter Karen and her husband Steven and Sharon’s husband Greg, their daughter Jenette and her friend and neighbor Pat. Nancy loved God, her family, her dear dogs, movies, TV, going to church and, of course, pies, cookies and most anything sweet.

She is survived by her grandchildren Tim MacIntosh (Bee), Brett MacIntosh (Nicole), Jessica Rooney (Bryan), Micheal Plante (Brienne), Jenette

Farrow and great-grandchildren Michael Rooney (Julia), Tyler MacIntosh, Kylie MacIntosh, Joselyn Plante, step-grandchildren Isaac, Madison and Noah and sons-in-law Greg Farrow and Steven Randall.

Nancy was a wonderful, beautiful and generous woman and will be greatly missed.

Graveside services will be held at the Del Norte County Veteran’s Cemetery on Thursday, December 19, 2024, at 1:00 pm.

Arrangements are under the direction of Wier’s Mortuary Chapel.

## Sutter Coast Receives “Good” Rating on Safety

BY ROGER GITLIN  
Country Media, Inc.

Four hospital campuses in Sutter Health’s not-for-profit system earned a “B” grade (Good) for prioritizing patient safety and helping protect patients from preventable harms and errors.

Sutter Coast was one of

the four campuses receiving this recognition.

16 other Sutter sites received “A” ratings (Excellent).

The Leapfrog Group rendered its 2024 Fall results, a survey conducted semi-annually over a decade ago.

The Fall report reveals the entire Sutter network

has achieved all “A” and “B” Grades across its system.

The Leapfrog Group is an independent national

watchdog organization assigning an “A”, “B”, “C”, “D” or “F” grade to general hospitals across the country based on more

than 30 national performances reflecting the systems hospitals have in place to prevent harm, errors, accidents, injuries

and infections.

Grades are updated in the fall and spring.

Huge tree falls across Highway 199  
between Gasquet and Hiouchi

**BY ROGER GITLIN**  
Country Media. Inc.

This past Thursday, Del Norte awakened to learn a major, active rock and mudslide had closed Highway 199, midway between Gasquet and Hiouchi.

Fearless and tireless, Cal Trans workers labored for the next 36 hours opening the vital artery connecting, Crescent City to Grants Pass and InterState 5.

The CHP and Cal Trans escorted one-way traffic along the Redwood Highway.

Thursday morning about 11, traffic suddenly came to a grinding halt, unbeknownst to motorists. A Huge tree collapsed about six miles East of Hiouchi, completely blocking the Highway.

Cal Trans responded expediently with a not-to-be-reckoned with truck / and bulldozer attachment. Within 45 minutes, Cal Trans broke up and removed the arbor obstruction.

The CHP and Del Norte deputies were on hand to assist.

One may remember on March 25, 2021, when a Siskiyou County couple, Jake and Jessica Woodruff, were killed when a giant Redwood fell atop their moving vehicle on 199 at Walker Rd.

Thankfully, there have been no injuries in this latest development.

Hat's off to all Del Norte First Responders and a special Thank You to California Department of Transportation, District 1 staff for their heroic work under inclement/ rainy conditions, benefiting the motoring public.

## Fall Migration Brings the Return of Avian Influenza in Wild Birds

Avian Influenza H5N1 is again circulating in susceptible wild birds in California during fall migration.

The Golden State sits at the epicenter of the Pacific Flyway, one of America's migratory routes that brings millions of visiting birds through the State each fall and winter.

The last confirmed detection of Avian Influenza H5N1 in wild birds in California was in July. Avian Influenza in free-rang-

ing wild birds is primarily a disease of water fowl and shore birds, the natural hosts of avian influenza viruses whose wetland and other variety habitat is a significant factor for disease transmission among these species.

You can help by contacting Dept. of Fish and Wildlife and reporting dead or sickly wild birds at 1(866) 922-2473. Please do not handle sick fowl or bring them back to your home.

### K9 Juno

From page 1  
Heal Juno Future Canine Hero.

So far the fund has raised about \$3000.

- Juno is a hero (heroine)...
- Explorer Jenna Phillips is a hero (heroine)...
- The Crescent City Police Explorers are heroes
- The Volunteer K9 Unit

is an absolute asset to the community.

Juno has been transferred to a K9 specialist vet in Springfield, Oregon for major surgery.

Local efforts to raise additional funding for this valuable asset are underway. God-willing, Juno will fully recover and be a valuable part of CCPD K9 team.

Jenna will graduate next year, attend college and plans to join the CCPD as a K9 handler officer. Jenna is yet another positive asset to the community.

And to the cowardly hit and run driver who struck Juno, words of condemnation fall short. It's Christmas, full of joy and good will. Turn yourself in and recognize the error you've made by leaving the scene.

# Threatened Coho Return to Upper Klamath: First Time in Six Decades

Courtesy photos, California Dept of Fish and Wildlife

BY **ROGER GITLIN**  
Country Media, Inc.

The California Department of Fish and Wildlife (CDFW) has seen the first returns of threatened Coho Salmon in the upper Klamath River Basin in more than 60 years, following the historic four dam removal completed last month. It was the 1960s when CDFW documented the last Coho occupying the historic habitat in the upper watershed.

Last month, seven coho salmon entered Fall Creek Fish Hatchery in Siskiyou County, about 7.5 miles upstream from the former Iron Gate Dam.

The returning Coho have been identified by missing adipose fins, confirming Fish Hatchery origin.

Coho Salmon in the Klamath are listed as a threatened species under both State and Federal endangered species acts.

In a separate announcement, CDFW announced it has released 270,000 full-run Chinook salmon into Fall Creek, the first early yearly Hatchery Salmon release following the historic dams removal.

at a lesser amount. The total amount secured by said instrument as of the time of initial publication of this notice is stated above, which includes the total amount of the unpaid balance (including accrued and unpaid interest) and reasonable estimated costs, expenses and advances at the time of initial publication of this notice. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to fee and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO TENANT: You may have the right to purchase this property after the trustee auction, pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 530-246-2727; Toll Free: 844-333-6766, or visit this internet website: calforeclosures.biz, using the file number

999  
Public Notices

assigned to this case: TS#24-3114, to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the street address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call the trustee's information line at 530-246-2727; Toll Free: 844-333-6766, or visit this Internet Website: calforeclosures.biz, using the file number assigned to this case: TS #24-3114. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale. # Caution Urged Driving at Many City Intersections

BY ROGER GITLIN  
Country Media Inc.

Special caution is always recommended during the hectic Holiday season, especially in the City. People in a hurry, driving too fast is a recipe for disaster. Several Triplicate readers have contacted The TriPLICATE and brought to our attention several overgrown trees, hedges and bushes which obstruct views of on-coming and cross traffic. Readers have requested the City cut back landscape overgrowth at many of these dangerous intersections. The challenge is City-wide but particular Intersections with heavy growth impact the following:

- 8th St and K
- 7th St at H and I.
- 5th St at C.
- 4th St at Wendell and B.

City Removes Long-Standing tagging over Elk Valley Bridge

YET TO BE REMOVED - Pacific Power boxes, Crescent City

The City continued its vigilance in observing and abating vandalism scrawl. The latest efforts involve removing ugly graffiti along the Elk Valley Walking Bridge in Crescent City. Still, yet to removed are Pacific Power boxes on A Street and the back of Rite Aid building on East 5th St.
