HOME BUILDERS ASSOCIATION | TULSA

2156 S. OWASSO PLACE • MAY 3-18, 2025 • TICKETS: \$15

When it comes to your home, you shouldn't
have to compromise.

DESIGNED FOR YOU. BUILT FOR YOU. NO COMPROMISES.

As your family changes, your home should too. We do remodels!

Designer Showcase 2025

2156 S. OWASSO PLACE

The Home Builders Association of Greater Tulsa is excited to celebrate 52 years of Designer Showcase. In 2023 the HBA acquired Designer Showcase from the Foundation for Tulsa Schools. The two nonprofits share in the proceeds of the event to support the students and programs of Tulsa Public Schools as well as the community involvement of the Tulsa HBA.

Designer Showcase is a landmark event in Tulsa to tout the talents, creativity and ingenuity of local designers and craftsmen. This year, 21 designers have done a masterful job of updating a 1923 home owned by **Anita Bryant** and **Tim Faerber** located in

the Maple Ridge neighborhood of midtown Tulsa. We are excited for the public to see the newest trends in design and decor in this special home.

Thank you to the event sponsors for your support, and we look forward to sharing the Designer Showcase home with you beginning on May 3.

Jeffrey Smith
Executive Vice President/CEO
Home Builders Association of Greater Tulsa

Since its founding in 2001, the Foundation for Tulsa Schools has been dedicated to building a stronger community by supporting Tulsa Public Schools. Committed to increasing educational opportunities, the Foundation raises essential funds and mobilizes community and business support to ensure all students receive a first-class public education.

Guided by three core pillars, the Foundation works to: engage and empower students, support and celebrate teachers, and strengthen schools and the district. It also leads the Partners in Education program, connecting businesses, faith communities and organizations with schools to provide volunteers, in-kind resources and financial support. Additionally, the Foundation strategically invests in district-wide initiatives that advance Tulsa Public Schools' mission and vision.

Visit foundationfortulsaschools.org to learn more about the collective impact of its supporters and explore ways to contribute — whether by supporting students and teachers directly or becoming an official Partner in Education. By giving to the Foundation, donors help create meaningful change, reaching the most students across our city through high-impact investments that drive success.

General Contractor

Kirkendall Design, a design-build interior design firm, served as the general contractor for the 2025 Designer Showcase home. With 32 years of experience in both design and historic renovations, the team oversaw the transformation, preserving the 100-year-old home's original character while preparing it for a fresh design vision.

From the start, Kirkendall Design took on the heavy lifting, handling the major renovations to prepare the space for the featured designers. They preserved key architectural details like the original hardwood floors and embossed plasterwork, original trim, hardware and other historic design elements. They gutted and reconfigured the kitchen, removed outdated built-ins and carpeting, and executed updates to lighting, paint and a garage addition.

In addition to the renovation work, Kirkendall Design guided the homeowner through the overall design direction, helping to balance preservation with modern updates. With a strong design-build expertise, the team managed the entire renovation process, working alongside Tulsa's talented designers to transform this incredible historic home.

Kirkendall Design is committed to creating livable style through luxury interior design services. Led by owner Julia Kirkendall, the team offers full-service design, including new construction, renovations, furniture selection and styling. For smaller-scale projects they also provide personalized design concierge services tailored to each client's needs.
