

For the past 15 years, TulsaPeople readers have named their favorite local businesses to the A-LIST. The A-LIST Hall of Fame recognizes those winners named to the list for five or more years. Each business is listed under the overall category it was recognized in: Fun, Food, Shopping, Services and Head to Toe.

According to you, our readers, these businesses, restaurants, service providers, destinations and local sites are the best in Tulsa. Congratulations to those named to the Hall of Fame. Nominate your favorite business to the 2026 A-LIST beginning in February on TulsaPeople.com.

Highlighted businesses have advertised in this issue.
