

# Managed cloud services that are actually managed

It's not fantasy.  
It's Cox Business Cloud Solutions.

**Co-management included.** Funny thing about some managed cloud service providers – they may not even offer co-management. Crazy, right? With Cox Business Cloud Solutions, co-management is included with all of our solutions. We even offer full management if you prefer. And whichever configuration you choose, we make it easy to monitor and control everything with our single-pane portal. Also included free. Of course.
