

VETERAN CARE IN ORANGE COUNTRY

From shaping the next generation of physicians to providing exceptional care for all, OSU brings a bold vision and depth of medical expertise to Orange Country.

Our rapidly growing network of 27 clinics and significant expansion at OSU Medical Center downtown proves we are committed to delivering the highest standard of care to northeastern Oklahoma.

Discover why orange is the answer and learn more about how we are caring for Orange Country at orangecountry.okstate.edu/medicine.

Opening downtown in Spring 2026, the OSU Academic Medical District will elevate our impact by expanding services to the **new James Mountain Inhofe VA Medical Center**.
